NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FOUQUE MARCEL, second Officer of the LEOPOLDINA, from LE HAVRE, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Fifteen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The entry is to be made by Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M male or F female.

Column 6. *Married or single.*—The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation of each alien arrival, as for example: Civil engineer, stationary engineer, laborer, tailor, tailoress, cook, or laborer, etc., and not merely engineer, mason, laborer, or another indefinite designation.

A laborer should be made between farmers and farm laborers, regardless of the amount of money they have.

Answer as to one who operates a farm, either for himself or for others.

A farmer is one who operates a farm, for the man who operates it.

A farm laborer is one who works on a farm for the man who operates it.

Careful inspection officers should make this distinction on the manifests and correct them if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is divided into two parts. In answering this question it is sufficient if the alien is able to read and write a sentence upon what grounds.

Read what language, for if exemption is claimed upon that ground, the alien must be able to read and write in the language or dialect the alien is able to read, and a claim of exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the race or people is a citizen or subject, country of last permanent residence and country of birth, and manifests should be especially examined by inspectors and reentry clerks in this regard. For instance, France appearing under the head of country of last permanent residence, birth, or nationality, French appearing under the head of race or people does not mean France, by country. An Irish, German, or Hebrew alien by race or people does not mean France, by country. An Irish, German, or Hebrew alien by race or people does not mean France, by country. An Irish, German, or Hebrew alien by

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien arrival, as, for example: Civil engineer, railway engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read or have been (if exemption is claimed, upon what ground)?" In answering this question the language employed by the alien is also to be recorded. If alien is unable to read and claim exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, as indicated, should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may or may not properly come under the heading of England, Scotland, Ireland, or any other country. In this connection the following instructions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who has come from Other countries than those of the West Indies, North or South America, Europe, or Africa. Any alien with a trace of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereat. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of nationality, temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return to it may vary, but should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, county, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether in possession of $50, and if less, how much*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual color or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place, as, 1891–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors or others in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, FRICKER, Georges . . . . . , Surgeon of the L E O P O L D I N A , Sailing Therewith (state whether Surgeon sails in the vessel mentioned herein or in the vessel mentioned therein), do solemnly, sincerely, and truly Swear that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Fifteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this day of , 19

at

NOTE.—If a surgeon sails with the vessel, the affidavit of examination shall be executed by him at the port of departure, and if no surgeon sails with the vessel, the affidavit of examination shall be executed at the port of departure by the master, owner, agent, or consignee thereof.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

I, FOUQUE, Marcel 2nd Officer *, of the* L E O P O L D I N A *, from* LE HAVRE *, do solemnly, sincerely, and truly* swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* Fifteen *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is reserved for certain of the officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation (trade or profession) of each alien arrived, as, for example: Civil engineer, lawyer, tailor, mason, merchant, bookkeeper, clerk, mother, tailoress, dressmaker, and farm laborers, regardless of the amount of money they may have.

No entries should be made between farmer and farm laborer, as the class of the former includes:

A proprietor who operates a farm, either for himself or for others.

A manager who operates a farm for the man who operates it.

A farm laborer is one who works on a farm for the man who operates it.

Special attention should be paid to the distinction between the above classes, and correct entries should be made by inspectors and reviewers, changing the personal examination of aliens accordingly.

Column 8. *Married and able to read?* — Three classes are to be divided and contain the following entries: Read what language (or if exemption be claimed, upon what ground)? In case the alien speaks a language other than English, he should be questioned in such language. If he can read in more than one language, the fact should be noted, but the alien is not to be considered literate unless he can read in some language. If he is unable to read, state whether he can write. Children under the age of 14 years, who are unable to read, are not required to write. Under the head of exemption should be entered the reason why the alien is exempted from the reading requirement, the ground of such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as classified in the list.

Special attention should be paid to the distinction between race and the country of which alien is a citizen or subject, as heretofore explained. Do not confuse race with place of birth, and do not use the latter when a race is required. Do not confuse race with place of residence. Under no circumstances should the race be described as "American." Persons born in the United States of foreign parents should be classified according to the race of their parents, as Germans, Irish, etc., and not as Americans. Persons born in Mexico, Canada, Cuba, Central or South America, or the West Indies, of other than white parents, should be classified as Indians, Negroes, Mongolians, or mixed, as the case may be. Persons born in Canada of French parents should be classified as French, and persons born in Ireland of English parents should be classified as English. Persons coming from Scotland should be classified as Scotch, and persons coming from Wales should be classified as Welsh, unless they prefer to be classified as English. Persons coming from the following countries should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies, but not to either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America, not Negroes.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who has come from Africa or the islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual race not ruled residence of one year shall constitute permanent residence. The last country in which he has resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries in this column should be the last permanent residence regardless of length of actual residence there. The entries in this column should be the name and city or town of last permanent residence. It is important for the purposes of this column that steamship companies accurately show country of last permanent residence made in the proper space provided for that purpose.

Column 12. *Whether going to join relative, friend, or other person, and name and complete address of such relative or friend.* — The entry should show definitely the name and complete address of the relative, friend, or other person to whom the alien is going, and the name of the street and number, if any, or other exact description of the place where such relative, friend, or other person resides.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, country, if out of the United States.

Column 14. *Whether having a ticket through final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether alien was passage paid.* — The entry should show definitely by whom passage was paid (as, for example, himself, father, mother, relative, friend, steamship company, etc.).

Column 16. *Whether in possession of $50, and if less than $50, how much.* — The answer should give in each case the amount of money the alien has. Money brought by the head of a family should be entered in the case of the head of the family.

Column 17. *Whether ever before in the U. S., and if so, when and where.* — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of year or years (as, 1894–1896, Philadelphia).

Column 18. *Whether going to join a relative, or friend, and if so, what relative or friend.* — The answer should show whether going to join or meet a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—The answer in this column should be expressed in years or months; the latter if under 1 year of age.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary engineer, laborer, clerk, cook, tailor, painter, carpenter, mason, seamstress, housekeeper, servant, waiter, barber, hairdresser, manufacturer, merchant, dressmaker, milliner, engraver, jeweler, goldsmith, watchmaker, blacksmith, machinist, boilermaker, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, except where the alien has no occupation.

A sharp distinction should be made between farmers and farm laborers, regardless of the amount of income, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special inquiry officers should make this distinction on the manifests, and corrections should be made by them, by inspectors, or by the clerks during the personal examination of the aliens.

Column 8. *Nationality.*—This column is to be filled in to answer the following question: "Of what country a subject or citizen?"

Column 9. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which alien is a native, and country of last permanent residence, and country to which they belong. For instance, persons described by inspectors and others as Germans, Russians, Turks, Africans, Spaniards, French, appearing under the heading "Race or people," should not be returned as such, but should be returned under the proper race or people, as stated, such as Hebrew, Italian (south), Negro, Basque, etc. Persons from the British Provinces should be returned as English, Scotch, Irish, or Welsh, according to the race or people to which they belong, and not as Canadian, which is the designation of nationality only. Natives of Ireland who state their race as Irish should be returned as such, and not as English. Natives of Scotland who state their race as Scotch should be returned as such, and not as English or Great Britain. Natives of Wales who state their race as Welsh should be returned as such, and not as English or Great Britain. Natives of Germany, Austria-Hungary, Switzerland, Holland, Belgium, Luxemburg, Norway, Sweden, Denmark, Finland, Russia, Spain, Portugal, Italy, Greece, Turkey, Syria, Arabia, Africa, China, Japan, India, Mexico, West Indies, Central America, South America, Australia, New Zealand, and the Philippine Islands should be returned according to the race or people of which they are respectively composed.

Persons coming from countries not specifically mentioned in the above list should be returned according to the race or people to which they belong, as Magyar, Bohemian, Moravian, Finn, Lapp, Dane, Norwegian, Swede, Dutch, Flemish, Walloon, Portuguese, Roumanian, Bulgarian, Servian, Montenegrin, Albanian, Greek, Cingalese, Javanese, Siamese, Burmese, Arab, Chinese, Japanese, Hindu, Bengalee, Parsee, Pathan, Afghan, Turkoman, Persian, Kurd, Armenian, Georgian, Circassian, Tartar, Siberian, Palestinian, Syrian, Arabian, Abyssinian, Egyptian, Liberian, Kanaka, Maori, Fijian, Tasmanian, Australian, New Zealander, Patagonian, Chilean, Peruvian, Brazilian, Hawaiian, Canadian (French), Canadian (not French), Cuban, Porto Rican, Haytian, Dominican, Nicaraguan, Costa Rican, Honduranian, Salvadorean, Guatemalan, Mexican, Indian, Negro, Mulatto, Quadroon, Octoroon, West Indian, Pacific Islander, American Indian, Alaskan, Aleutian Islander, Eskimo, Arctic Highlander, Indian Territorian, Indian (Hudson Bay Territory), Indian (Mexico), Indian (Central America), Indian (South America), Indian (West Indies), Indian (Canada), Indian (United States), Pueblo Indian, Mission Indian, Reservation Indian, Civilized Indian, Uncivilized Indian, Mixed Indian Blood, Full Indian Blood, Half Indian Blood, Quarter Indian Blood, Three-quarters Indian Blood, Seminole Indian, Apache Indian, Navajo Indian, Sioux Indian, Iroquois Indian, Cherokee Indian, Chippewa Indian, Comanche Indian, Kiowa Indian, Blackfeet Indian, Flathead Indian, Nez Perce Indian, Pima Indian, Shoshone Indian, Ute Indian, Zuñi Indian, Creek Indian, Choctaw Indian, Chickasaw Indian, Crow Indian, Arapahoe Indian, Utah Indian, Wyoming Indian, Colorado Indian, Montana Indian, Idaho Indian, Oregon Indian, Nevada Indian, Washington Indian, California Indian, Minnesota Indian, Dakota Indian, Nebraska Indian, Kansas Indian, Oklahoma Indian, Texas Indian, New Mexico Indian, Arizona Indian, Utah Indian, Nevada Indian, Colorado Indian, Wyoming Indian, Montana Indian, Idaho Indian, Washington Indian, Oregon Indian, California Indian, Minnesota Indian, Dakota Indian, Nebraska Indian, Kansas Indian, Oklahoma Indian, Texas Indian, New Mexico Indian, Arizona Indian.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, who, after residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year is recorded as the last permanent residence regardless of length of actual residence therein. The entries should show the last permanent residence, city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of nationality, race, country of birth, near relative, or race.

Column 11. *Final destination.*—Where alien is destined. "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence he came.*—The relative or friend should be recorded "United States."

Column 13. *Final destination.*—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States. Country to which the United States.

Column 14. *Ability to read.*—The answer should be either Yes or No.

Column 15. *Whether in possession of $50, and if less, how much.*—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should be recorded for the family, the exact amount possessed by each member of the family.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The entries should show, by the year or No., whether alien has been in the United States before, and if so, the year or period of years and place, as 1901, 1903, Philadelphia.

Column 17. *Whether going to join relative, or friend; and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others, at the sheet are subject to revision by the inspecting officers on the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, FRIKER georges, Surgeon of the L E O P O L D I N A ", sailing therewith (State whether Surgeon "sailing therewith" or employed by owners thereof" as the case may be), do solemnly, sincerely, and truly Swear that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Fifteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. (*Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, profession, or other calling of each alien arrived, as, for example, Coal engineer, laborer, engineer, clerk, tailor, tailoress, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, engineer, clerk, tailor, brass polisher, steel polisher, iron molder, wood turner, etc., or other indefinite designations.

Wherever possible, distinction should be made between farmers and farm laborers, regardless of the amount of money owned by the former.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

All other persons who work on a farm, as the case may be, and corrections should be made.

Steamship companies should make their declarations on the manifests, and corrections should be made, if necessary, by inspectors at the time of the personal examination of the aliens.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: Can the alien read? Can the alien write? In answering this question, read what is required [to] if exemption is claimed upon which ground. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between nationality, or country of which citizen or subject, country of last permanent residence, and country of birth, and in every case should be carefully considered by immigrant clerks in their record. For instance, Hebrew appearing under heading of country does not mean "French" because of people, and, similarly, French appearing under heading of race or people does not mean France, by country. An Irish, German, or Hebrew alien, the head of a race or people, does not change their nationality if either became naturalized in England, Switzerland, or any other country. In this connection the following discriminations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (Black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereto. The entries in this column should show the country and city or town of last permanent residence. It is impossible for statistical purposes that immigration statistics accurately show country of last permanent residence unless correct information is given. Country of birth, nationality, or race, as frequently [illegible] dependent of country of temporary residence. Country of last permanent residence of aliens who are permanent residents of the United States and countries of last permanent residence of aliens who are temporarily sojourning abroad should be recorded "United States."

Column 12. *Name and complete address of relative or friend in country whence alien came.*—The entries should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. No objection to a temporary visit of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether in possession of $50, and if less, how much.*—The answer should be either Yes or No.

Column 15. *Whether ticket is through or not through.*—The answer should be either Through or Not through.

Column 16. *Whether coming by own passage or by whom assisted.*—The entry should show definitely by whom passage was paid, as, self, husband, father, mother, or other relatives, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The answer should give in each case the exact amount of money in possession of alien, male or female, over 14 years of age. Money brought by the head of a family should be considered as the property of the family, and not of the individual members of the family.

Column 18. *Whether ever before in the United States and if so, when and where.*—The entries should show whether or not alien was ever in the United States before, and if so, the year or period of years and place, as, 1901-1905, Philadelphia.

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 33.—These questions are self-explanatory and the answers, like all others, the object are not put to test on by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, FRICKER, Georges, Surgeon of the L E OP O L D I N A, Sailing Therewith, (State whether sailing alone or with other vessels) do solemnly, sincerely, and truly Swear that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Fifteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit is to be executed before the examination of the passengers is begun, and if any of the aliens must be noted on the manifest sheet as "rejected," the affidavit is to be executed at the port of departure. If no surgeon sails with the vessel, the affidavit is to be executed at the port of arrival before the examination of the aliens is begun.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN (NORTH).

The people who migrate from the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venezia, and Emilia, and the descendants, whether residing in Italy, Switzerland, France, Austria, Hungary, or elsewhere, should be classed as Italians north.) Most of these have Venetian or Genoese blood in their veins.

ITALIAN (SOUTH).

The people who migrate from the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and their descendants should be classed as Italians south.

Columns 1 and 2. Name and residence. Write surname first, then the given name in full, and the place of residence (not of birth) in full. Do not use abbreviations. Where the alien has resided for one year or more in the United States, the last place of residence during that period should be given, without regard to subsequent residence elsewhere. The entries must be made in such a way as to show whether the alien is coming to a country where he has previously resided, or to a place where he has never resided. It is important to know whether aliens are returning to their former homes or are going to join friends or relatives in the United States, or are coming on their own account to a place where they have never been before. The destination of aliens who are not joining relatives should be carefully stated.

Column 3. Whether married or single. Write the word "married" or "single" as the case may be.

Column 4. Age. Write the age of the alien at his last birthday before sailing. If under one year, state the number of months.

Column 5. Sex. Write "male" or "female," as the case may be.

Column 6. Whether a citizen of the United States. If the alien is a citizen of the United States, write the word "citizen" in the column. If not a citizen, but a person who has declared his intention to become a citizen, write the words "declarant" or "citizen by declaration." If neither a citizen nor a declarant, leave the column blank.

Column 7. Whether going to join a relative, and if so, what relative and whether the name and address of such relative are stated. If the alien is going to join a relative, write the word "relative" in the column, whether the name and address of the relative are given or not. If the alien is going to join a relative, give name and address of such relative in Column 8. If not going to join a relative, write the word "no" in the column.

Column 8. Name and address of relative. If the alien is going to join a relative, write the name and address of the relative in the United States whom the alien intends to join.

Column 9. Final destination. Write the city or town, if any, in the United States where the alien intends to reside. If he intends to reside in the State of New York, write the word "New York" in the column. If he intends to reside elsewhere than in the State of New York, write the name of the State in which he intends to reside. If he intends to reside in the city of New York, write the word "New York" in the column. If he intends to reside elsewhere than in the city of New York, write the name of the city in which he intends to reside. If he intends to reside in the city of Philadelphia, write the word "Philadelphia" in the column. If he intends to reside elsewhere than in the city of Philadelphia, write the name of the city in which he intends to reside.

Column 10. Whether ever before in the United States, and if so, when and where. The answer should be "yes" or "no." If the answer is "yes," the year or period of years and the place in the United States where the alien has been before should be given.

Column 11. Whether ever in prison or almshouse, or supported by charity, and if so, what relative or friend and of what relative or friend. The answer should be "yes" or "no." If the answer is "yes," the name of the relative or friend and the place where he resides should be given.

Column 12. Whether a polygamist. The answer should be "yes" or "no." If the answer is "yes," the name of the polygamist should be given.

Column 13. Whether an anarchist. The answer should be "yes" or "no." If the answer is "yes," the name of the anarchist should be given.

Column 14. Whether coming by reason of any offer, solicitation, promise, or agreement to perform labor in the United States. The answer should be "yes" or "no." If the answer is "yes," the name of the person who made the offer, solicitation, promise, or agreement should be given.

Column 15. Whether in possession of a ticket to the final destination. The answer should be "yes" or "no." If the answer is "yes," the name of the person who purchased the ticket should be given.

Column 16. Whether in possession of $50 in money. The answer should be "yes" or "no." If the answer is "yes," the amount of money should be given.

Column 17. Whether ever before deported and why. The answer should be "yes" or "no." If the answer is "yes," the reason for deportation should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The proper Government officer will supply information to enable the entries to be made.

Column 3. *Name in full.* — The name of each alien should be expressed in full, giving the family name and the given name or initials, in the order usually followed in the United States.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation.* — The entry should describe the occupation by which the alien has been supporting himself or herself, as for example: Farmer, laborer, carpenter, cabinetmaker, engineer, miner, merchant, clerk, tailor, shoemaker, painter, mason, baker, butcher, tinner, or other definite description.

A careful distinction should be made between farmer and farm laborer, regardless of the ownership of the farm.

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who operates it.

A servant is one employed in the household, and care must be taken that distinction on the lines of sex and character of work is made, so that, for example, a male cook is not described as a servant.

Column 7. *Can read? Can write?* — The column provides for the usual test of literacy, namely, the ability to read and write a simple sentence. Persons who can read but not write, or who can write but not read, or who can do neither, are to be reported as unable to read and write. Persons who can read and write only figures are to be reported as able to read and write.

Column 8. *Age.* — The entry should be the age at last birthday.

Column 9. *Sex.* — The entry should be M (male) or F (female).

Column 10. *Race or people.* — Each race is treated on a line by itself. The entry should be the name of the race or people, as Irish, Scotch, English, French, German, Italian, Spanish, Portuguese, Dutch, Flemish, Greek, Russian, Polish, Finnish, Lithuanian, Bohemian (Czech), Slovak, Moravian (Czech), Hungarian (Magyar), Croatian (Slavonian), Ruthenian (Russniak), Slovenian (Wendish), Roumanian, Syrian, Armenian, Turkish, Arabian, Hindu, Bengali, Afghan, Chinese, Japanese, Negro, Indian (American), Mexican, West Indian, Pacific Islander, East Indian, or other people or race.

Persons of mixed races should be described according to the race or people with which they most closely correspond in appearance, customs, and habits of life. Persons not clearly belonging to any race should be described according to the country in which they have resided.

Citizens of the United States should be described as Americans, and the country, or part of country, in which they have resided should be carefully noted.

Under no circumstances should the term "Hebrew" be used in this column. For instance, Hebrews speaking under the Russian flag should be described as Russians, if Jews of Russian birth or parentage, and similarly, French, Spanish, Portuguese, Dutch, Italian, or other Hebrews should be described as such. Hebrews are not a people, race, or nationality. Descriptions as to religious belief or tendency are not desired.

Column 11. *Nationality.* — The nationality of each person should be stated by the name of the country under the government of which he or she lives. Thus, natives of Scotland, England, Ireland, Germany, France, Spain, Portugal, Holland, Italy, Greece, Russia, Poland, Finland, Lithuania, Bohemia, Hungary, Croatia, Ruthenia, Roumania, Syria, Armenia, Turkey, Arabia, India, China, Japan, Mexico, and the West Indies should be described as natives of Scotland, England, Ireland, Germany, France, Spain, Portugal, Holland, Italy, Greece, Russia, Poland, Finland, Lithuania, Bohemia, Hungary, Croatia, Ruthenia, Roumania, Syria, Armenia, Turkey, Arabia, India, China, Japan, Mexico, and the West Indies, respectively, regardless of race or people.

CUBAN

The term Cuban refers to the mixed people of the Negroes

WEST INDIAN

West Indian refers to people of the West Indies and other Caribbean Negroes

SOUTH AMERICAN

South American refers to the people of Central and South America, of pure Indian descent

AFRICAN (BLACK)

African (black) refers to the African Negro, whether born in the United States, in the West Indies, Northern South America, Europe, or Africa. An alien with mixed blood of the African Negro and other race is classified under the race of the parent.

ITALIAN (NORTH)

Italian people are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, and Venetia, and the districts of Trentino, Friuli, Istria, Trieste, Gorizia, and Dalmatia, with the regions in Italy, Switzerland, Austria, Hungary, or elsewhere, where the inhabitants speak the Italian language.

ITALIAN (SOUTH)

Italian people are natives of that part of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 12. *Last permanent residence.* — Actual or acquired residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more. If in the United States, the town or city and State of last permanent residence therein. The address of friends in the United States, or town of last permanent residence. If no permanent residence, write "None." Do not use such indefinite terms as "America" or "Europe." Write the name of the country of last permanent residence, as it now exists politically, as for example, Germany, not Prussia, Bavaria, etc.; Austria-Hungary, not Austria or Hungary; Turkey, not Armenia.

Column 13. *To join relative or friend, and his name and complete address.* — Persons who are joining permanent residents of the United States and not relatives or friends will be reported "None."

Column 14. *Name of relative or friend in country whence alien came, and complete address.* — The entries should be made as in column 13, but relative. If no such relative living, give name and address of friend.

Column 15. *Final destination.* — The entry in this column should show the intended future permanent residence. As in column 13, do not enter "United States" as sufficient. The entry should show definitely the city, town, or village to which the alien is destined, if within the United States, or the name of the country if he or she is destined to a foreign country.

Column 16. *Whether having a ticket through to destination.* — The answer should be either Yes or No.

Column 17. *Whether in possession of $50 and if not, by whom furnished.* — The entry should show distinctly by whom possession was furnished, if the alien has not the amount himself, as by friends, relatives, employer, charitable society, etc.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The answer should show whether the alien has ever been in the United States before, and if so, when and where. Many aliens bring with them the landing card issued to them on their former visit, and this should be carefully examined.

Column 19. *Whether going to join a husband, wife, father, mother, etc., and name and relationship.* — The entries should show whether the alien is going to join husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, or other relative in the United States, and if so, the name and relationship of such relative.

Column 20. *Whether deported at any time and if so, when and why.* — The answer should show whether the alien has ever been deported from the United States, and if so, when and why.

Column 21. *Whether a polygamist.* — The answer should show whether the alien is a polygamist, or practices polygamy.

Column 22. *Whether an anarchist.* — The answer should show whether the alien is an anarchist.

Column 23. *Whether coming under contract or agreement to perform labor.* — The answer should show whether the alien is coming under contract or agreement to perform labor in the United States, and if so, the character of such contract or agreement.

Column 24. *Whether a person who has been in prison or almshouse or supported by charity.* — The answer should show whether the alien has been in prison or almshouse or supported by charity, and if so, when and where.

Column 25. *Whether a person mentally or physically defective, and if so, what defect.* — The answer should show whether the alien is mentally or physically defective, and if so, what defect.

Column 26. *Whether under sentence of death or other capital crime.* — The answer should show whether the alien has been sentenced to death or other capital crime.

Column 27. *Whether a political offender.* — The answer should show whether the alien is a political offender, and what is meant thereby.

Column 28. *Whether a political anarchist.* — The answer should show whether the alien is a political anarchist, and what is meant thereby.

Column 29. *Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law.* — The answer should show whether the alien believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law.

Column 30. *Whether a person who disbelieves in or is opposed to organized government, or who advocates or is a member of or affiliated with any organization that entertains a belief in, teaches, or advocates the overthrow by force or violence of the Government of the United States, or of all forms of law, or that entertains a belief in, teaches, or advocates the assassination of public officials.* — The answer should show whether the alien disbelieves in or is opposed to organized government, or advocates or is a member of or affiliated with any organization that entertains a belief in, teaches, or advocates the overthrow by force or violence of the Government of the United States, or of all forms of law, or that entertains a belief in, teaches, or advocates the assassination of public officials.

Columns 31 and 32. *Ethnic group.* — Each race is treated on a line by itself. The entry should be the name of the race or people, as stated.

Column 33. *Color of eyes, complexion, color of hair, height, weight, and any distinctive mark.* — The color of eyes, complexion, and color of hair should be stated. The height should be stated in feet and inches, and the weight in pounds. Any distinctive mark, as scar, mole, or birthmark, should be noted.

Column 34. *Name of person paying passage.* — The entry should show the name of the person who paid for the passage.

Column 35. *Amount of money in possession.* — The entry should show the amount of money in possession, as stated.

Column 36. *Final destination (State).* — The entry should show the State of the United States to which the alien is going.

Column 37. *Final destination (city, town, or village).* — The entry should show the city, town, or village in the United States to which the alien is going.

ITALIAN (NORTH).

The people who are native to that portion of Italy which includes the provinces of Piedmont, Liguria, Lombardia, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a dialect closer to the French language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the eastern and western boundaries of the Provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the adjacent islands, should be classed as "Italian (south)." Persons of Italian birth or descent who have resided for one year or more in the United States, exclusive of temporary visits abroad, should be considered as "former residents" of the United States. Aliens returning to a country of former residence after a temporary visit abroad are not to be considered as "new arrivals" from the country to which they return, but are to be returned to the country of former residence. Persons who have resided in the United States for one year or more, and who have come to this country with the intention of remaining one year or more, should be classed as "former residents" of the United States. The fact that persons have voted in the United States does not necessarily show that they have resided therein one year or that they have resided in the place from which they last came to the United States for the period required by the immigration act. It is important for the proper enforcement of the immigration act that the manifest clearly show the country of last permanent residence of all aliens. The entries in this column should not be abbreviated or carelessly made, as illegible manifests cause much unnecessary delay. Only those persons who are permanent residents of the United States should be classed as "former residents" of the United States.

Column 31. *Nearest relative or friend in country whence alien came.* The answer to this question should show the name and address of the nearest relative or friend the alien has in the country whence he came. It is not sufficient to say "father," "brother," "friend," etc., but the name and address of such relative or friend must be given.

Column 32. *Ultimate destination.* The answer to this question should show the intended future permanent residence. An intended future temporary residence will not suffice. The entry should be the name of the city, town, or village in the United States where the alien intends to reside permanently. An intended future permanent residence within the United States will not suffice.

Column 33. *Whether citizen of the United States, and if so, how citizenship was acquired, whether by birth, naturalization, or derivation.* The answer should be either Yes or No. The entry should show definitely whether the alien is a citizen of the United States, and if so, whether by birth, naturalization, or derivation.

Column 34. *If citizen of the United States, the name of husband or wife, father or mother.* The answer should be the name of husband or wife, father or mother, whether living or dead, through whom the alien claims citizenship in the United States.

Column 35. *Where and when husband or wife, father or mother obtained citizenship.* The answer should be the place and date of naturalization of husband or wife, father or mother, through whom the alien claims citizenship in the United States.

Column 36. *Where alien has lived two years next preceding.* The answer should be the name of the city, town, or village in which the alien has lived two years next preceding his application for admission to the United States.

Column 37. *Whether a special inquiry case.* The answer should be either Yes or No. The entry should show definitely whether the alien is a special inquiry case.

Column 38. *Whether a member of the family of an alien who has been or will be excluded.* The answer should be either Yes or No. The entry should show definitely whether the alien is a member of the family of an alien who has been or will be excluded.

Column 39. *Whether in addition to the question relating to occupation, alien has a trade, and what trade.* The answer should be either Yes or No. The entry should show definitely whether the alien has a trade, and if so, what trade.

Column 40. *Whether in addition to the question relating to occupation, alien has been employed as a laborer, and if so, at what.* The answer should be either Yes or No. The entry should show definitely whether the alien has been employed as a laborer, and if so, at what.

Column 41. *Whether alien has been deported on a previous warrant, and if so, when.* The answer should be either Yes or No. The entry should show definitely whether the alien has been deported on a previous warrant, and if so, when.

Column 42. *Number of warrant.* The answer should be the number of the warrant.

Column 43. *Remarks.* Under this heading should be entered any other information required.

Questions 20 and 21 are not applicable to aliens applying for admission at the Mexican border. These questions are not to be asked of aliens applying for admission at the Canadian border, except that they are to be asked of aliens coming from Canada to the United States via Mexico. Questions 20 and 21 are not to be asked of aliens applying for admission at the Canadian border, except that they are to be asked of aliens coming from Canada to the United States via Mexico. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use by Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, statuary, engineer, lawyer, clerk, farmer, farming engineer, brass polisher, steel polisher, iron molder, wood turner, etc. (and not simply "laborer," "polisher, molder, turner, or other indefinite designation).

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed by either.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special attention is directed to the instructions and corrections heretofore made by the Department relative to the proper classification of alien artists, professors, musicians, actors, showmen, jockeys, and jockeys' clerks, and the personal examination of alien artists.

Column 8 (*Able to read and write*).—The returns to this question are frequently incorrectly answered. The question "Can he read?" is answered "Yes" if a certain document is shown to the alien and he reads a few words therefrom, regardless of whether he can read intelligently or not. The question "Can he write?" is answered "Yes" if the alien can write his name, regardless of whether he can write a legible hand or not. The question "Can he read?" is answered "Yes" if the alien can read intelligently, regardless of whether he can write or not. The question "Can he write?" is answered "Yes" if the alien can write intelligently, regardless of whether he can read or not. The question "Can he read and write?" is answered "Yes" if the alien can read and write intelligently. If the alien is unable to read and write intelligently, the fact should be stated. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which the alien is a subject or citizen. The country of last permanent residence and country of birth, and not as should be exemplified by the inspectors and deputy clerks in the record. For instance, "France" appearing under the two latter captions does not mean "French" by race or people, and similarly, "French" appearing under the race or people captions does not mean "France" by country. An Irish, German, or Hebrew alien who comes to the United States, coming under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN—NORTH

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and the district of Emilia), whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanency of residence. The last country in which alien resided with the intention of remaining one year is required. If the last permanent residence regardless of length of actual residence there is not the intention to remain one year, the last permanent residence shall be the country and city or town of last permanent residence. It is important for statistical purposes that this item have supreme, accurately show country of last permanent residence. Under no circumstances should "Russia," "Austria," or "Turkey" be entered. Country of birth, nationality, or race.

Congress did not permit the admission of aliens who are permanent residents of the United States and who return to it after a brief visit abroad. Such should be entered "United States."

Column 12 (*Name of relative or friend in country whence alien came*).—The entry should show the name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. A temporary visit not to exceed one year shall constitute permanent residence. The entry should show definitely the place (by city or town) of intended future permanent residence, if within the United States; country, if to the United States.

Column 14 (*Whether in possession of $50 and whether ticket through to destination*).—The answer should be either Yes (Y) or No (N) respectively.

Column 15 (*Whether coming with ticket or passage paid by self or others, whether in possession of money, and amount if less than $50*).—The entry should show definitely by whom passage was paid, as, for example, by himself, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should give in each case such detailed information as to time and place of previous visit as may be shown. Money brought by the head of a family should be considered to cover the several members of the family.

Column 18 (*Whether coming to join a husband, father, or other relative in the United States, and if so, what relative and where*).—The entry should show whether or not (Y or N) in the United States before, and if so, the year (or period of years) and place, as "1891, Philadelphia."

Column 19 (*Whether going to join a relative, or has friend already arranged for, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to inspection by inspectors in charge of the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 3. *Last name.* The answer in this column should be expressed in a manner to indicate the family name.

Column 4. *Age.* The answer should be given in years, and for those under 1 year of age, in months.

Column 5. *Sex.* The entry should be either M, male, or F, female.

Column 6. *Married or single.* The answer should be M, married, S, single, Wd, widowed, or Div, divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation pursued by the alien at the time of sailing. Such terms as "laborer," "clerk," "manufacturer," "gentleman," "lady," "servant," "child," and "none" should not be used. Persons having no occupation, such as children and housewives, should be returned as "at home." Persons of leisure or those living on their income may be returned as "gentleman" or "lady." Laborers, however, should be further described as agricultural laborers, general laborers, or laborers in specified lines of industry, such as cotton mill laborer, coal miner, iron molder, tanner, or other definite designation.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Distinction between farmers and farm laborers, regardless of the amount of money they may have, should be made in all returns.

Immigrant inspectors should make this distinction on the manifests and corrections should be made by them, if necessary, at the time of the personal examination of alien arrivals.

Column 8. *Able to read and write.* This column is subdivided and contains the following question: Can every person 14 years of age and over read and write? In answering this question "Yes" or "No" will be sufficient. If exemption is claimed upon what ground? In answering this question "Yes" or "No" will be sufficient. If exemption is claimed upon what ground? If alien is unable to read and claims exemption, the ground for such exemption should be stated. If alien is unable to read, but can write in the native language or dialect, that fact should be stated. If alien is able to read should he be given credit for ability to read, although unable to write? In answering this question the word "read" implies the ability to read the language or dialect in which he is examined. Any person who can read in any language or dialect should be returned as able to read, but the fact that he can write only his own name should be noted. If he can write more than his own name, he should be returned as able to write. In the case of illiterate persons who can neither read nor write, the ground for such exemption should be given.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs as specified in said list.

Special attention should be paid to the distinction between race and the country of which the person is a citizen or subject, as given in said list.

Column 11. *Last permanent residence.* The entry should show the country of last permanent residence, and country of birth, and nationality should be carefully distinguished. Immigrant inspectors will be governed by the following directions in this regard. For instance, "France" appearing under the head of "Last permanent residence" may mean "French" by race or people, and, similarly, "French" appearing under the head of "Country of birth" may mean "French" by race or people, and, similarly, "French" appearing under the head of "Nationality" may mean "French" by race or people, and, similarly, "French" appearing under the head of "Race or people" may mean "French" by race or people, and, similarly, "French" appearing under the head of "Country of birth" may mean "France" by country. Austrian, German, or Hebrew should not be returned as countries of birth, nor should the terms Scotch, Welsh, or Irish be returned as countries of birth. These terms are insufficient to indicate the location of England, Switzerland, or any other country. In this connection the following directions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who therefore may come from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian, north." Most of these bear such names as Galli, Lombardi, Piedmontese, Venetian, Ligurian, Emilian, Romagnese, and speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

NOTE.—Full text of question 24 reads as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FOUQUE marcel (State whether Master, First, or Second Officer), of the LEOPOLDINA, from LE HAVRE, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Thirty Nine in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Head of family.* Steamship lines should make no entries in this column. The entries are for Government officials only.

Column 2. *Number in family.* This column should be expressed in two numbers, the latter of which is to be under 14 years of age.

Column 3. *Sex.* The entry should be either M male or F female.

Column 4. (*Married or single.*) The answer should be M married, S single, Wd widowed, or D divorced.

Column 5. *Calling or occupation.* The entry should describe as accurately as possible the occupation by trade, profession, or other means of each alien arrival, as for example: Civil engineer, stationary engineer, laborer, carpenter, cement, brass polisher, steel polisher, iron molder, wood turner, etc. Skilled laborers should be further distinguished by the name of the industry to which they belong, as for example: Skilled farm laborer, cotton farmer, and farm laborers, regardless of the amount of training required.

A person who owns a farm, or who works on a farm for the part who operates it.

A person who works on a farm for the part who operates it.

Servants, cooks, chambermaids, etc., should be described as such, and not as laborers.

Persons having no occupation, as for example, children, should be stated as such.

Column 6. *Personal description.* Blank columns 6 to 13, inclusive, are for the personal description of aliens and for final receipt. If there is inability to read and classify the following information concerning the persons described therein:

Column 9. *Nationality.* Question 9 should be construed to mean the country of which the alien is a subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Special attention is called to the distinction between race and the country of which he is a citizen or subject. The country of last permanent residence and country of birth are usually the same, but frequently they are not. For instance, a Hebrew may be a citizen of Russia, Austria, Germany, France, England, or any other country, and his race or people is entered as Hebrew. Persons coming from Ireland should be carefully examined under the head of race or people, as many of them claim to be Irish, when they are in fact English, Scotch, Welsh, or of other races. In the case of Irish, the entry should be Irish. In the case of Scotch, the entry should be Scotch.

CUBAN

The term "Cuban" refers to the Cuban people of the Negro race.

WEST INDIAN

Applies to persons belonging to the Negro race of the other than either Cuban or Negro.

CENTRAL AMERICAN

Refers to persons belonging to the people of Central and South America, but not including the Negro.

AFRICAN (BLACK)

Applies to persons belonging to the Negro race who have not been naturalized in the West Indies, North or South America, Europe, or Asia. An alien with Chinese mixed blood is to be classed as a Negro.

ITALIAN, NORTH

The people who have come from the basin of the River Po in northern Italy, i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether born in Italy, Switzerland, Austria-Hungary, France, or other country, should be classed as "Italian, North." Most of these people speak the dialect of the Italian language.

ITALIAN, SOUTH

The people who have come from that portion of Italy south of the basin of the River Po, i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, South."

Column 11. *Last permanent residence.* Actual bona fide intended residence of one year should be given to indicate permanent residence. The law contemplates the absence of intention of the alien to permanently reside in the United States. Persons coming to the United States to engage in business, or to accept employment, or to study, with the intention of returning to their native country, or to go to some other country where they have been permanently residing, should be recorded as "non-immigrants." Persons coming to the United States to reside permanently, or who have resided in the United States for a number of years, and are returning to their former homes, should be recorded as "immigrants."

Column 12. *Whether going to join a relative or friend, and if so what relative or friend, and his name and complete address.* The name and address of the relative. If no such relative living, state that fact and address of friend.

Column 13. *Final destination.* The entry should show the intended future permanent residence. A visit to the United States for a year or less does not constitute future permanent residence. The entry should be stated as definitely as possible. If going to a friend, the name and address should be given. If going to a relative, the name and address should be given. If going to a steamship company, the name of the company should be sufficient. If going to a railroad company, the name of the railroad company should be sufficient. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, bookkeeper, tailor, tinner, contractor, brass polisher, stool pull'er, iron molder, wood turner, etc., and not simply, engineer, polisher, molder, tanner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens and crews.

Column 8. *Ability to read.*—This column is subdivided and contains the following questions: Read what language [or if exemption is claimed, upon what ground]? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which he citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien can not be properly come under the headings of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, who the immigrant from Cuba or other part of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that each ship's manifest accurately show country of last permanent residence independent of country of nationality, race, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to an American port shall be recorded "United States."

Column 12. *Name and complete address of person or relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14. *Whether in possession of $50 and if not, how much.*—The answer should be either Yes or No.

Column 15. *Whether ticket is prepaid and by whom.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. *If in possession of $50 or more, how much.*—The answer should give in each case the actual amount of money the alien has in his possession. Money brought by the head of a family should not be divided, but be credited to the head of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894, 1895, Philadelphia.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others, on the sheet are required to be given by inspectors, officers, or the examining surgeon, alone. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, ... FRIKER Georges , *Surgeon of the* LEOPOLDINA , sailing Therewith , *do solemnly, sincerely, and truly* Swear *that I have had* ten *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* Faculty of Paris . . , *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* Thirty Nine *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax statute.* — Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5. *Sex.* — The entry should be either M, male, or F, female.

Column 6. (*Married or single.*) — The answer should be M, married, S, single, Wd, widowed, or Div, divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, if any, of each alien at the time of his arrival, as, for example, Coal engineer, stationary engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, mechanic, molder, farmer, or other indefinite term.

A distinction should be made between farmers and farm laborers, to correspond with the distinction made between these classes in the Census.

A farmer is one who operates a farm, either for himself or for another.

A farm laborer is one who works on a farm for the man who operates it.

Special attention should be called to the importance and correctness desired by each steamship company, by inspectors and boards, clerks during the personal examination of alien arrivals.

Column 8. *Nationality of race.* — The column is subdivided, and means the following: Under English, what is the nationality of the person (not of the country) to whom the question is directed? In answering this question the answer should be of the nature to which the person is entitled, or claims to be entitled, from the standpoint of his own country. Italian is unable to read and cannot be classed as coming under the reading requirement of the act, and French exemption should thereby not be claimed.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of the sheet. The entry should show to what race or people alien belongs.

Column 11. *Last permanent residence.* — Under this question shall be entered the country which has been the last permanent residence and country of birth, and not merely a sojourn. Do not accept such answers as this record. For instance, France, Spain, Germany, Italy, or other countries. Distinguish between Jews and Hebrews, by race or people, and, similarly, French, as to whether they belong to the French race or people, or are natives of France. Do not enter Switzerland, Germany, Austria, Germany, or Holland as countries of birth, unless the alien has been a resident of one of these countries for a sufficient length of time to be regarded as a native thereof. Where the alien has been a resident of one of these countries for a sufficient length of time to be regarded as a native thereof, the following instructions should be carefully observed:

CUBANS

Do not enter Cuba, under the above, for people not Negroes.

WEST INDIANS

Do not enter the West Indies, or the name of any island thereof, for people not Negroes.

CENTRAL AMERICANS

Do not enter Central America for people not natives of such American republic.

AFRICANS, BLACK

Africans, Black, are to be returned as Africans. Note whether they are natives of Liberia, or of the West Indies, or of South America, Europe, or Africa. Also, along with these, are to be returned, for the United States, the following, whether they are:

ITALIANS, SOUTH

This people are to be returned as coming from the Kingdom of Italy, and from the Provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and not as coming from Austria, Austria-Hungary, Switzerland, or Turkey, unless they have been naturalized as Italians in the United States.

Column 12. *Name and complete address of relative or friend in country whence alien came.* — The entry should be the name and address of the nearest relative or friend of the alien in the country whence he came. Do not enter the name of a steamship company or railroad ticket agent.

Column 13. *Name and complete address of relative or friend to whom alien is going.* — The answer should show the name and address of the person in the United States whom the alien intends to join or visit.

Column 14. *Final destination (State or Territory).* — The answer should be the State or Territory in which the alien intends to reside permanently.

Column 15. *Whether having a ticket through to final destination.* — The entry should be Yes or No, as the case may be.

Column 16. *Whether in possession of $50 and if less, how much.* — The entry should be Yes or No, as the case may be, and if less, how much.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend, and name and complete address of such relative or friend.* — The answer should be Yes or No, as the case may be, and if Yes, the relationship, name, and address should be stated.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The answer should be Yes or No, as the case may be, and if Yes, when and where.

Column 19. *Whether ever in prison or almshouse or supported by charitable institution, and if so, what and when.* — The answer should be Yes or No, as the case may be, and if Yes, what and when.

Column 20. *Whether a polygamist.* — The answer should be Yes or No, as the case may be.

Column 21. *Whether an anarchist.* — The answer should be Yes or No, as the case may be.

Column 22. *Whether coming by reason of any offer, solicitation, promise, or agreement to perform labor in the United States of any kind whatsoever, and what kind of labor.* — The answer should be Yes or No, as the case may be, and if Yes, what kind of labor.

Column 23. *Whether a person who has been deported at any time previously, and if so, how many times and when.* — The answer should be Yes or No, as the case may be, and if Yes, how many times and when.

Column 24. *Whether coming to engage in any unlawful occupation, and if so, what occupation.* — The answer should be Yes or No, as the case may be, and if Yes, what occupation.

Column 25. *Whether a person who has been in a penal institution or reformatory, and if so, what institution and when.* — The answer should be Yes or No, as the case may be, and if Yes, what institution and when.

Column 26. *Whether a person who is coming for an immoral purpose, and if so, what purpose.* — The answer should be Yes or No, as the case may be, and if Yes, what purpose.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FOUQUE Marcel 2nd Offic of the L E C O D I N A , from LE HAVRE, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. Thirty Nine in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for official Government use only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or Div, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, stationary engineer, laborer, tailoress, servant, miner, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely "engineer, polisher, molder, turner, or other indefinite designation.

Laborers should be made between farmers and farm laborers, regardless of the amount of money possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make thorough inquiry on the manifests, and corrections should be made by the company's inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: Read, Write. Read what language if exemption is claimed upon what ground? In answering this question it is important to ascertain if the alien is able to read, and if such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a subject or citizen from the realtime requirement, the ground for such exemption should be given.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, the country of last permanent residence, and country of birth, and manifests should be carefully scrutinized. For instance, "France" appearing under the column headed "Race or people, and, similarly, "French" appearing under the column headed "Nationality" do not mean "French" by race or people, and, similarly, "French" appearing under the column headed "Country of last permanent residence" do not mean "France" by country. An Irish, German, or Hebrew alien is frequently entered as a people

NOTE.—If a surgeon sails with the vessel, this affidavit or verification shall be executed by him at the time of the vessel's departure, and any changes that may occur or be found in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Whether citizen*.—Steamship lines should take no entries in this column. The passenger is supposed to know, or to state, only whether he is a citizen or a subject of some foreign government, or both.

Column 3. *Age*.—The answer in this column should be expressed in years, the latter being supposed to be completed by persons who are not entirely one year old.

Column 4. *Sex*.—The entry should be either M (male) or F (female).

Column 5. *Married or single*.—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation*.—The entry should describe as accurately as possible the occupation of each alien having any. For example, a watchmaker, stonecutter, mason, blacksmith, engineer, machinist, miner, laborer, tailor, seamstress, housekeeper, servant, clerk, etc., and not merely laborer, gentleman, lady, etc. Persons of no occupation should be returned as such. Where, however, a person has an occupation, even though a woman or child, it should be given, and not merely "housework" or "none." Particular attention is directed to the necessity for a correct return of the occupations of all persons, especially laborers, coming from countries in which the wages are low.

Column 7. *Can read*.—Every alien who can read any language should be set down as able to read, and only those who cannot read at all should be reported as unable to read.

Column 8. *Can write*.—Every alien who can write a legible hand in any language should be set down as able to write, and only those who cannot write at all should be reported as unable to write.

Column 9. *Name and address of person who paid passage*.—The name and address of the person who paid for the passage of each alien should be carefully obtained and entered. Initials should not be used instead of full names, and mere addresses, such as "Boston," "Chicago," "Detroit," etc., should be avoided.

Column 10. *Final destination*.—Every alien must be booked through to his or her final destination, and the place to be entered in this column should be the place for which the alien has a ticket, whether it be a town or city, or a State. Entries of "Chicago," "Boston," "Detroit," "Pittsburgh," "Philadelphia," "Minnesota," "Dakota," "Iowa," "Kansas," "Missouri," "Texas," "Colorado," "California," "Oregon," "Washington," "Montana," "Wyoming," "Utah," "Nevada," "Arizona," "New Mexico," "Idaho," "Indian Territory," "Oklahoma," "Alaska," "Hawaii," "Porto Rico," "Philippine Islands," "Canada," "Mexico," "Cuba," "Central America," "South America," "Europe," "Asia," "Africa," "Australia," "New Zealand," or "West Indies" will not be sufficient. Entries of "Ellis Island," "New York," "Castle Garden," "Philadelphia," "Boston," "Baltimore," "New Orleans," "San Francisco," or other ports of arrival will not be sufficient. Entries of "Liverpool," "London," "Glasgow," "Queenstown," "Dublin," "Belfast," "Cork," "Londonderry," "Limerick," "Sligo," "Galway," "Waterford," "Dundalk," "Wexford," "Tralee," "Ballina," "Ballinasloe," "Athlone," "Boyle," "Castlebar," "Roscommon," "Longford," "Tuam," "Ennis," "Dungarvan," "Kilkenny," "Carlow," "Clonmel," "Maryborough," "Naas," "Edenderry," "Athy," "Monaghan," "Donegal," "Derry," "Letterkenny," "Omagh," "Enniskillen," "Cavan," "Belturbet," "Ballyshannon," "Sligo," "Ballina," "Westport," "Galway," "Tuam," "Ballinasloe," "Roscommon," "Boyle," "Longford," "Athlone," "Mullingar," "Edenderry," "Tullamore," "Birr," "Nenagh," "Roscrea," "Parsonstown," "Tipperary," "Cashel," "Clonmel," "Carrick-on-Suir," "Kilkenny," "Waterford," "Dungarvan," "Youghal," "Cork," "Queenstown," "Kinsale," "Skibbereen," "Bantry," "Killarney," "Tralee," "Dingle," "Limerick," "Ennis," "Scariff," "Ennistymon," "Lisdoonvarna," "Ballyvaughan," "Kilrush," "Kilkee," "Belfast," "Ballymena," "Coleraine," "Portrush," "Portstewart," "Londonderry," "Dundalk," "Drogheda," "Dublin," "Kingstown," "Wicklow," "Arklow," "Gorey," "Enniscorthy," "Wexford," "New Ross," "Waterford," "Tramore

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Head tax.* — Steamship lines should make no entries in this column. The head tax collected is for adults only.

Column 3 *Age.* — The answer to this column should be expressed in years or months, the latter if under 1 year old.

Column 4 *Sex.* — The entry should be either M male or F female.

Column 5 *Married or single.* — The answer should be M married, S single, Wd widowed, or D divorced.

Column 6 *Occupation.* — The entry should describe as accurately as possible the occupation of each alien, if any. Persons having no occupation, such as children and housewives, should be returned as having "no occupation." Laborers, for example, should not be returned as "laborer," but should be described as farm laborers, agricultural laborers, day laborers, general laborers, etc., according to the character of the work they have been accustomed to perform. Entries such as "clerk," "merchant," "manufacturer," "engineer," "mechanic," "servant," "agent," "gentleman," "lady," "student," "tailor," "tailoress," "dressmaker," "milliner," "butcher," "baker," "grocer," "druggist," "physician," "surgeon," "lawyer," "editor," "author," "teacher," "professor," "actor," "actress," "artist," "musician," "clergyman," "preacher," "nurse," "barber," "hairdresser," "porter," "watchman," "policeman," "soldier," "sailor," "boatman," "fisherman," "miner," "driver," "engineer," "fireman," "conductor," "brakeman," "switchman," "machinist," "moulder," "tanner," or other indefinite designations should be avoided. Wherever possible, the exact occupation should be stated. Distinctions should be made between farmers and farm laborers, regardless of the amount of land cultivated by the former.

Column 7 *Whether going to join a relative or friend, and if so, what relative; or whether going to join himself or to others.* — The answer to this column should show whether the alien has a ticket to join relatives or friends, and if so, what relatives, or whether he has money sufficient to pay his own way, or whether he is going to join himself or others. Questions 7 and 8 should be made to cover the case of every alien, and answers should be carefully scrutinized with a view to detecting persons coming under the contract labor law. Questions 9 and 10 should be carefully answered, as they are important in determining the admissibility of aliens coming under the contract labor law.

Column 8 *Final destination.* — Each alien should be asked to state the name of the city, town, or village in the United States where he intends to go, and this destination should be entered in this column. Care should be taken to see that the destination is entered in sufficient detail to show whether the immigrant is going to a city or town of sufficient size to have a post office. Names of persons or firms should not be entered in this column unless accompanied by the name of the city, town, or village where they reside.

Column 9 *Whether having a ticket through to final destination.* — The answer to this question should be "Yes" or "No." Immigrants who have not sufficient money to pay for railroad transportation to their final destination should be asked whether they have tickets, and the answer recorded accordingly.

Column 10 *Whether in possession of $50 and if less, how much.* — Each alien having in his possession less than $50 should be asked how much money he has, and the answer recorded in dollars and cents. Any alien having $50 or more should be recorded simply by a check mark (✓). Immigrants coming under the contract labor law should be closely questioned as to the amount of money they have with them, and the answer recorded.

Column 11 *Whether ever before in the United States, and if so, when and where.* — The answer to this question should be "Yes" or "No." If the alien has been in the United States before, he should be asked when he came, how long he remained, and where he lived or worked during his former visit. The answer should be recorded accordingly, as, for example, "Yes, 1903, 2 years, Chicago," or "No."

Column 12 *Whether coming to join a husband, father, mother, etc., and name and relationship.* — If the alien is coming to join a husband, father, mother, or other relative in the United States, the fact should be recorded in this column, and the name and relationship of the relative stated, as, for example, "husband, John Doe," "father, John Doe," "mother, Jane Doe," etc.

Column 13 *Whether a polygamist.* — The entry should be "Yes" or "No."

Column 14 *Whether ever in prison or almshouse, or supported by charity, and if so, what and when.* — The answer should be "Yes" or "No." If the alien has been in prison or an almshouse, or supported by charity, the fact should be recorded, and the length of time stated, as, for example, "Yes, prison, 1 year," "Yes, almshouse, 6 months," "Yes, charity, 2 years," etc.

Column 15 *Whether a person who has been deported at any time previously.* — The answer should be "Yes" or "No." If the alien has been deported, the fact should be recorded, and the time and place stated, as, for example, "Yes, 1901, Philadelphia," "Yes, 1902, Boston," etc.

Column 16 *Whether going to join a society or organization hostile to organized government, and if so, what society or organization.* — The answer should be "Yes" or "No." If the alien is going to join a society or organization hostile to organized government, the fact should be recorded, and the name of the society or organization stated, as, for example, "Yes, Anarchistic Society," "Yes, Socialistic Society," etc.

Column 17 *Whether a professional beggar.* — The answer should be "Yes" or "No."

Column 18 *Whether ever before refused admission to the United States, and if so, when and where.* — The answer should be "Yes" or "No." If the alien has been refused admission to the United States, the fact should be recorded, and the time and place stated, as, for example, "Yes, 1903, Boston," "Yes, 1904, Philadelphia," etc.

Column 19 *Whether going to join a relative or friend, and if so, what relative or friend with name and complete address.* — The answer to this question should show whether the alien has a ticket to join relatives or friends, and if so, what relatives or friends with name and complete address.

Columns 20 to 33 — The questions in these columns are to be answered by inspection of the alien and the examination he undergoes; however, in answering questions 29 to 33, if the alien has been previously rejected, and the Secretary of Labor has authorized him to apply for admission, these columns may be left blank unless the alien's answers to questions 29 to 33 differ from his answers when previously applying for admission.

CUBAN

The term Cuban refers to the Cuban people and Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

African (Black) refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe or Africa. Any alien with admixture of blood of the African Negro shall be classified under this heading.

ITALIAN NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venetia, and Emelia and their descendants who, either residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 *Last permanent residence.* A mere visit or an extended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be last permanent residence regardless of length of actual residence thereon. The entries in column 11 should be by the country and city or town of last permanent residence, not by political powers, so that Scotch, Welsh, or Irish people are to be recorded as to country of birth, not nationality, or race.

Country of last permanent residence. Aliens who are permanent residents of the United States and are returning to it after a temporary visit abroad should be recorded "United States."

Column 12 *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and complete address of such relative. If no such relative living, give name and address of friend.

Column 13 *Final destination.* The answers to this question shall show the intended future permanent residence. An intended residence for one year shall be sufficient to constitute permanent residence. The entry should show destination by city or town, if intended future permanent residence is within the United States; country, if outside the United States.

Column 14 *Whether ever before in the United States.* The answer should be either Yes or No. Not to be confused with Column 15.

Column 15 *Whether coming to join a relative or friend, and if so, what relative or friend.* The entry should show definitely by whom passage was paid, as husband, brother, father, mother, friend, steamship company, etc.

Column 16 *How much money he has in his possession.* The answer should give in each case the amount. If the alien has less than $30 the entry should show exactly how much. Money brought by the head of a family should be included in the estimate of the head of the family. The exact amount of money in possession of each alien need not be stated, but the fact that he has $30 or more, or less than $30, should be stated.

Column 17 *Whether in possession of railroad ticket to his ultimate destination.* The entries should be Yes or No. If the ticket is not held by the alien, but is to be procured after landing, the entry should be No.

Column 18 *Whether going to join a relative, and if so, what relative and where.* The entries should be Yes or No. If the alien has been in the United States before, and if so, the year or period of years and place, as Yes, 1903, Philadelphia.

Column 19 *Whether in possession of a ticket prepaid by any person or corporation, society, charitable institution, or any government, State, or municipality, and if so, which one.* The answer should be Yes or No. If the ticket is prepaid by relative or friend, state relationship and name and complete address.

Column 20 (a) These questions are supplementary and the answer, like all others on the sheet, are subject to the most careful scrutiny of the examining officer. However, in answering question 20 (a) if alien has been convicted of what is vaguely termed a "political offense," and the Secretary of Labor has authorized him to reapply for admission, the fact may be so stated and application should be given.

AFFIDAVIT OF SURGEON

I, FRICKER, Georges, Surgeon of the LEOPOLDINA, Sailing Therewith (State whether Surgeon sailing therein or otherwise employed), do solemnly, sincerely, and truly Swear that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Thirty Nine in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Name of steamship line. Steamship line should make no entries in this column. The space [illegible] for entry, collectors only.

Number on list. The number, in this column, should be expressed in years or months, the latter [illegible] and of each case.

Sex. The entry should be either M, male, or F, female.

Married or single. The answer should be M, married, S, single, Wd, widowed, or [illegible].

Calling or occupation. The entry should describe as accurately as possible the occupation [illegible] each alien as, for example, Civil engineer, dairy, dry cleaner, [illegible] not [illegible] [illegible] butcher, steel polisher, iron molder, wood turner, etc., and not [illegible] [illegible] laborer, or other indefinite designation.

[illegible] should be made between farmers and farm laborers, regardless of the amount [illegible]

[illegible] who operates a farm, either for himself or for others.

[illegible] [illegible] is a farmer for the man who operates it.

[illegible] should make the distinction on the manifests, and corrections should be made, [illegible] and recorded during the personal examination of aliens at ports.

Can you read and write? This column is subdivided and contains the following question: Can read [illegible] for if exemption is claimed upon what ground?" In answering this question [illegible] can read the alien is able to read [illegible] legislated. If alien is unable to read and claims [illegible] from the reading requirement the ground for such exemption should be given.

Nationality. Question 9 should be construed to mean the country of which alien is a [illegible].

Race or people. See list of races printed on back of this sheet. The entry should show [illegible] people given in said list.

[illegible] should be put to the right of the line that between race and the country of which [illegible] [illegible] last permanent residence and country of birth, and manifests should be carefully [illegible] separated by ditto marks in the record. For instance, "France" appears under the [illegible] does not mean "French" by race or people, and, similarly, "French" appears under [illegible] does not mean "France" by country. An Irish, German, or Hebrew alien should [illegible] people, and not "British," "German," or "Russian" by country. In the case of [illegible] the designation should be either of England, Switzerland, or any other country. In this section the following descriptions should be especially observed.

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies, whether they be either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negroes who have come from Cuba, or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, France, or other countries, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11, last permanent residence. Actual and intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of the length of actual residence there in. The city or town shall show the country and city or town of last permanent residence. It is important for statistical purposes that all persons be accurately shown as to country of last permanent residence independent of country of birth, race, ethnic tendency, or race.

Country of last permanent residence. Residence of aliens who are permanent residents of the United States and are returning from visit abroad shall be recorded "United States."

Column 12, Name and complete address of relative or friend in country whence alien came. The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 13, Final destination. The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be made strictly in accordance with the intended future permanent residence, if within the United States, of aliens destined to the United States.

Column 15, If [illegible] destination in foreign country. The answer should be either Yes or No.

Column 16, Ticket paid by. The entry should show definitely by whom passage was paid, as self, by friend, father, brother or other relative named, steamship company, etc.

Column 17, If [illegible] amount in possession. The answer should give in each case such information, the exact amount of money to be shown. Money brought by the head of a family should be divided among each of the several members of the family.

Column 18, Whether ever before in the United States, and if so, when and where. The entries should show whether or not Yes or No, in the United States before, and if so the year or period of years and place, as 1894, 1897, Philadelphia.

Column 19, If [illegible] to join relative or friend, and if so, what relative or friend. The answer should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory, and the answers, like all others on the sheet, are subject to verification by the officers inspecting the aliens. However, in answering question 26, if alien has been deported within one year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such application should be given.

149

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (Yes).* Steamship lines should make no entries in this column. The space is for the use of Government officials only.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter only if under 1 year of age.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, blacksmith, bricklayer, mason, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, farmer, polisher, molder, turner, or other indefinite designations.

No distinction should be made between farmers and farm laborers, regardless of the amount of money the former may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Inspectors should make this distinction on the manifests, and corrections should be made by the commissioner, boards of special inquiry, and registry clerks during the personal examination of alien arrivals.

Column 8. *Nationality and race.* This column is subdivided and contains the following question:

Column 8. *Race or people and nation.* The answer should be entered in accordance with the following classification, the alien's own statement as to race or people being accepted unless manifestly incorrect. Special attention should be paid to the distinction between race and the country of which an alien is a citizen or subject, the former being the question to be answered. The country of last permanent residence and country of birth, and nationality, are carefully specified and recorded in other columns. For instance, a Chinese, although a native of China, a British subject, and a citizen of Hongkong, should be returned as a Chinese, and not as a British subject or a citizen of Hongkong. A Welsh, Scotch, or English miner, although a native of Wales, Scotland, or England, and a British subject, should be returned as Welsh, Scotch, or English, and not as British. A native of Ireland, although a British subject, should be returned as Irish, and not as British. A native of Bohemia, although a citizen of Austria, should be returned as Bohemian, and not as Austrian. A native of Prussia, although a German subject, should be returned as Prussian, and not as German. A native of Scotland, although a British subject, should be returned as Scotch, and not as British. A native of Wales, although a British subject, should be returned as Welsh, and not as British. A native of Ireland, although a British subject, should be returned as Irish, and not as British. A native of Bohemia, although a citizen of Austria, should be returned as Bohemian, and not as Austrian. A native of Prussia, although a German subject, should be returned as Prussian, and not as German.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* See list of race terms printed on back of this sheet. The entry should show the race or people as given in answer to question 8.

Special attention should be paid to the distinction between race and the country of which an alien is a citizen or subject, the former being the question to be answered. The country of last permanent residence and country of birth, and nationality, are carefully specified and recorded in other columns. For instance, a Chinese, although a native of China, a British subject, and a citizen of Hongkong, should be returned as a Chinese, and not as a British subject or a citizen of Hongkong. A Welsh, Scotch, or English miner, although a native of Wales, Scotland, or England, and a British subject, should be returned as Welsh, Scotch, or English, and not as British. A native of Ireland, although a British subject, should be returned as Irish, and not as British. A native of Bohemia, although a citizen of Austria, should be returned as Bohemian, and not as Austrian. A native of Prussia, although a German subject, should be returned as Prussian, and not as German. A native of Scotland, although a British subject, should be returned as Scotch, and not as British. A native of Wales, although a British subject, should be returned as Welsh, and not as British. A native of Ireland, although a British subject, should be returned as Irish, and not as British. A native of Bohemia, although a citizen of Austria, should be returned as Bohemian, and not as Austrian. A native of Prussia, although a German subject, should be returned as Prussian, and not as German.

The following classification should be carefully observed:

CUBAN.

Do not return as Cuban or West Indian persons not Negroes.

WEST INDIAN.

Do not return as West Indian persons from the West Indies other than Cuban or Negroes.

SOUTH AMERICAN.

South American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether born in Africa or elsewhere. All of the West Indian, North or South American, European, or African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Venetia, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or intended residence for the year to be stated, not temporary residence. The last country in which aliens resided with the intention to remain permanently is to be the last permanent residence regardless of length of actual residence there. Persons returning to a former permanent residence should show the country and city or town of last permanent residence. Persons proceeding to the United States for the purpose of securing employment should show the country of last permanent residence, and not the country where employment is sought. Persons proceeding to the United States for the purpose of joining relatives should show the country of last permanent residence, and not the country where such relatives reside. Persons who have resided in various countries should show the country of last permanent residence. Aliens who are permanent residents of the United States returning after a temporary visit abroad should be credited to "United States."

Column 12. *Name of vessel.* Self-explanatory.

Column 13. *Destination.* Persons should show whether destined to join relatives, friends, or employers, and the name and complete address of such relatives, friends, or employers. Aliens who are destined to the United States to join relatives should show the name of the relative, and the relationship, if any, of such relative. Aliens who have definite employment to go to should show the name and complete address of the person or firm who has offered the employment. Aliens who are destined to join friends should show the name and complete address of such friends. Aliens who have no friends, relatives, or employers in the United States to whom they are destined should show the State to which they are destined to go.

Column 14. *Whether ticketed through to destination.* The answer should be either Yes or No.

Column 15. *Whether having paid own passage or whether passage paid by other person or by the Government.* The entry should show definitely by which of the three methods the passage was paid. In case the passage was paid by other persons, the entry should show whether by relatives, friends, employers, or by the Government.

Column 16. *Whether in possession of $50 and if not, how much less.* The entry should show whether the alien has in his possession at the time of inspection the amount of money required by law, and if not, how much less. Persons who have been in the United States before and who have returned to their former homes should show the amount of money they have in their possession at the time of inspection.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend and his name and complete address.* The entry should show whether the alien has a ticket to join a relative or friend, and if so, what relative or friend and his name and complete address.

Columns 20 to 33. The entries in these columns are to be made by the inspection officers.

Column 34. *Remarks.* This column is for the use of the inspection officers, boards of special inquiry, and commissioners, and all entries therein should be made in accordance with their instructions. Any alien who claims to be a citizen of the United States should be required to apply for admission to the proper inspection officer.

BILL NO 22

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ROUQUE, Marcel 2nd Officer, of the L E O P O L D I N A , from LE HAVRE , do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets Thirty Nine in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Head tax status. Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4. Age. The answer in this column should be expressed in years or months, the latter if under 1 year of age.

Column 5. Sex. The entry should be either M male or F female.

Column 6. Married or single. The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. Calling or occupation.—The entry should describe as accurately as possible the occupation or profession of each alien arrival, as, for example Civil engineer, stationary engineer, bookkeeper, trained nurse, mantle maker, brass polisher, steel polisher, iron molder, wood turner, etc. Labor is not sufficiently descriptive and should not be used.

Where a person has followed two occupations, the one at which he last worked for more than six months should be given.

Laborers should be distinguished as agricultural laborers, coal miners, etc.

Farmers should be subdivided into classes as follows:

Farmer, one who operates a farm, either for himself or for others.

Farm laborer, one who works on a farm for the man who operates it.

Stockraisers should make this distinction on the manifests, and corrections should be made by the examining inspectors at the time of physical examination of alien arrival.

Gardeners, florists, nurserymen, and others should be described as such, and not as laborers.

Inspectors and registry clerks during the personal examination of alien arrivals will be governed by the above rules.

Column 8. Can read and write. This column requires a answer to the following question: "Can the alien read and write (his own language or some other language)?" In answering this question, if the alien can read but cannot write, the fact should be stated. If alien is unable to read and claims exemption as the relative of some person in the United States over 55 years of age, or for any other reason from the reading requirement, the reason for such exemption should be given.

Column 9. Nationality. Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. Race or people. See list of races printed on back of this sheet. The entry should show the people to which each alien belongs. Where a person has been naturalized the distinction between race and the country of which citizen or subject is frequently difficult. Care should be exercised by inspectors in the case of naturalized persons as to country of birth, and manifests should be carefully corrected where necessary. The country of last permanent residence and country of birth, and manifests should be carefully corrected where necessary. Inspectors and registry clerks in this regard. For instance, "France" appearing under the column for country of birth may mean a Frenchman by race or people, and, similarly, "French" appearing under the column for country of birth may mean a Frenchman by race or people, and, similarly, "French" appearing under the column for race or people may mean a Frenchman by country. An Irish, German, or Hebrew alien by birth may be described as a citizen of England, Switzerland, or any other country. In the case of the following designations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America and Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a common laborer from Cuba or other part of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed as coming under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11 (Last permanent residence.) Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 shall show the country and city or town of last permanent residence. It is important for statistical purposes that the immigrant accurately show country of last permanent residence independent of country of future or present citizenship, country of birth, nationality, or race.

Country of last permanent residence includes wives and minor children who are permanent residents of the United States and accompanying or coming to rejoin husband or father who has become a resident of the United States.

Country of last permanent residence does not include countries through which alien may have passed en route to the United States, nor countries in which alien may have visited or temporarily resided while abroad, nor countries of which alien may have been a citizen or subject unless he has resided therein for one year or more.

Column 12. Name and complete address of nearest relative or friend in country whence alien came. The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. Final destination. The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether in possession of ticket to such destination.) The answer should be either Yes or No, as the case may be.

Column 15 (Whether in possession of $50, and if less how much.) The answer should give in each case individual amount, thus "Yes, $15," "No," etc. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where.) The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of years and place, as, 1891, 1897, Philadelphia.

Column 19 (Whether going to join relative or friend; and if so, what relative or friend.) The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Immigrant Inspector

IMPORTANT NOTICE TO MASTER.

The list required below must be prepared and ready for delivery to the immigration officer at the time of the vessel's arrival, and a failure to comply with the provisions of law in this respect will subject the master to the penalties prescribed by law. Forms can be obtained on board the vessel before it leaves the port and also from the immigration officer at the port.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That the master of any vessel bringing to the United States from any place outside thereof any alien, or any person who intends to become a citizen of the United States, shall before any such alien or intending citizen shall land in the United States, deliver to the immigrant inspector at the port of arrival lists containing the names of all such aliens or intending citizens in the manner required by the said inspector, and shall report the number of such aliens who have been or will be refused a landing, and shall furnish such other information as may be required by the Secretary of Labor, and shall obey such rules and regulations as may be prescribed by the Secretary of Labor with respect to the care of such aliens while on board vessel and their landing in the United States, and shall pay the cost of the maintenance while on board vessel and of the removal of any such alien who may be refused a landing in the United States, and of the burial in case of death on board vessel, and for the purpose of insuring compliance with the provisions of this section and the rules and regulations made hereunder the Secretary of Labor may remain on board any vessel arriving in the United States from any place outside thereof until the inspection of the aliens on board such vessel has been completed, and may take such precautions as he may deem necessary to prevent the escape of aliens who are not clearly entitled to admission. Any master who refuses to deliver to such immigrant inspector any list required of him by this section, or who refuses to report the number of such aliens who have been or will be refused a landing, or who refuses to furnish such other information in relation to such aliens as may be required of him by the Secretary of Labor, or who refuses to obey such rules and regulations as may be prescribed by the Secretary of Labor with respect to the care of such aliens while on board vessel and their landing in the United States, or who refuses to pay the cost of the maintenance while on board vessel and of the removal of any such alien who may be refused a landing in the United States, and of the burial in case of death on board vessel, or who refuses to detain on board vessel or other vessel or at Ellis Island any alien as required by the Secretary of Labor, or who refuses to prevent the escape of aliens who are not clearly entitled to admission, or who refuses to comply with the provisions of law relating to the immigration of aliens in any other particular for which no penalty is specifically prescribed, shall be deemed guilty of a misdemeanor, and upon conviction thereof in any district court of the United States within the district in which the port is located at which the vessel shall arrive, or in the district in which the vessel may depart, or in which the offending master may be found, shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or both, at the discretion of the court. Clearance shall be refused to any vessel required by this section to deliver lists or other documents before delivery of such lists or documents, or the payment of the penalties imposed by this section, or the giving of a bond for the payment of such penalties within ten days after the same shall be incurred, except that clearance may be granted to vessels which have been libeled for such penalties within said ten days upon the deposit with the collector of customs of a sum sufficient to pay the same or of a bond with sufficient sureties conditioned for the payment thereof. The Secretary of Labor shall refund the head tax collected from any alien who is not admitted to the United States, unless such alien was in the United States for a period longer than one year prior to his application for admission to the United States, or unless such alien has been convicted of a felony or other crime or misdemeanor involving moral turpitude: Provided, That no such refund shall be made except upon the application of the person who paid the tax or his personal representative, filed within two years after the payment of the tax, nor unless the person who paid the tax proves to the satisfaction of the Secretary of Labor that the alien has departed from the United States within the period above limited, or that the vessel upon which the alien came to the United States was lost, destroyed, or abandoned by the master, or that the alien was refused admission to the United States, or that the master of the vessel refused to permit the alien to depart therein, or that the alien was prevented from so departing by reason of his detention for the enforcement of the provisions of this section, or of the immigration laws, or by reason of his institution of proceedings to review a decision excluding him from the United States, or by reason of his hospitalization, or that the alien died before departure from the United States, or that the alien was not required to pay the tax. Any master who shall refuse to pay the expenses of any such alien's detention or maintenance, or who shall refuse to pay the cost of the removal of any such alien who may be refused a landing in the United States, and of the burial in case of death on board vessel, shall be deemed guilty of a misdemeanor, and upon conviction thereof in any district court of the United States within the district in which the port is located at which the vessel shall arrive, or in the district in which the vessel may depart, or in which the offending master may be found, shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or both, at the discretion of the court. Clearance shall be refused to any vessel required by this section to deliver lists or other documents before delivery of such lists or documents, or the payment of the penalties imposed by this section, or the giving of a bond for the payment of such penalties within ten days after the same shall be incurred, except that clearance may be granted to vessels which have been libeled for such penalties within said ten days upon the deposit with the collector of customs of a sum sufficient to pay the same or of a bond with sufficient sureties conditioned for the payment thereof. The Secretary of Labor shall refund the head tax collected from any alien who is not admitted to the United States, unless such alien was in the United States for a period longer than one year prior to his application for admission to the United States, or unless such alien has been convicted of a felony or other crime or misdemeanor involving moral turpitude: Provided, That no such refund shall be made except upon the application of the person who paid the tax or his personal representative, filed within two years after the payment of the tax, nor unless the person who paid the tax proves to the satisfaction of the Secretary of Labor that the alien has departed from the United States within the period above limited, or that the vessel upon which the alien came to the United States was lost, destroyed, or abandoned by the master, or that the alien was refused admission to the United States, or that the master of the vessel refused to permit the alien to depart therein, or that the alien was prevented from so departing by reason of his detention for the enforcement of the provisions of this section, or of the immigration laws, or by reason of his institution of proceedings to review a decision excluding him from the United States, or by reason of his hospitalization, or that the alien died before departure from the United States, or that the alien was not required to pay the tax. Any master who shall refuse to pay the expenses of any such alien's detention or maintenance, or who shall refuse to pay the cost of the removal of any such alien who may be refused a landing in the United States, and of the burial in case of death on board vessel, shall be deemed guilty of a misdemeanor, and upon conviction thereof in any district court of the United States within the district in which the port is located at which the vessel shall arrive, or in the district in which the vessel may depart, or in which the offending master may be found, shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or both, at the discretion of the court. Clearance shall be refused to any vessel required by this section to deliver lists or other documents before delivery of such lists or documents, or the payment of the penalties imposed by this section, or the giving of a bond for the payment of such penalties within ten days after the same shall be incurred, except that clearance may be granted to vessels which have been libeled for such penalties within said ten days upon the deposit with the collector of customs of a sum sufficient to pay the same or of a bond with sufficient sureties conditioned for the payment thereof. The Secretary of Labor shall refund the head tax collected from any alien who is not admitted to the United States, unless such alien was in the United States for a period longer than one year prior to his application for admission to the United States, or unless such alien has been convicted of a felony or other crime or misdemeanor involving moral turpitude: Provided, That no such refund shall be made except upon the application of the person who paid the tax or his personal representative, filed within two years after the payment of the tax, nor unless the person who paid the tax proves to the satisfaction of the Secretary of Labor that the alien has departed from the United States within the period above limited, or that the vessel upon which the alien came to the United States was lost, destroyed, or abandoned by the master, or that the alien was refused admission to the United States, or that the master of the vessel refused to permit the alien to depart therein, or that the alien was prevented from so departing by reason of his detention for the enforcement of the provisions of this section, or of the immigration laws, or by reason of his institution of proceedings to review a decision excluding him from the United States, or by reason of his hospitalization, or that the alien died before departure from the United States, or that the alien was not required to pay the tax. Any master who shall refuse to pay the expenses of any such alien's detention or maintenance, or who shall refuse to pay the cost of the removal of any such alien who may be refused a landing in the United States, and of the burial in case of death on board vessel, shall be deemed guilty of a misdemeanor, and upon conviction thereof in any district court of the United States within the district in which the port is located at which the vessel shall arrive, or in the district in which the vessel may depart, or in which the offending master may be found, shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or both, at the discretion of the court. Clearance shall be refused to any vessel required by this section to deliver lists or other documents before delivery of such lists or documents, or the payment of the penalties imposed by this section, or the giving of a bond for the payment of such penalties within ten days after the same shall be incurred, except that clearance may be granted to vessels which have been libeled for such penalties within said ten days upon the deposit with the collector of customs of a sum sufficient to pay the same or of a bond with sufficient sureties conditioned for the payment thereof.

NOTE.—Full text of question 21 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the government of the United States or of all forms of law or who disbelieves in or is opposed to organized government or who advocates the assassination of public officials or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching a belief in the propriety of any of the unlawful acts mentioned above, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer, either of specific individuals or officers generally, of the Government of the United States or any other organized government because of his official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Vittorio Olivari, Master, (State whether Master, Purser, or Second Officer) of the S/S Re d'Italia, from Genoa, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher, "molder, "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is subdivided into two columns, headed respectively "Read" and "Write." Under the general head "Able to read and write" are to be answered the following questions: "Can this alien read?" "Can this alien write?" "In what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect that the alien is able to read should be stated. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be stated.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully framed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compar... Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, ... land, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most ... people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., c... months, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, ... Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (s...

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall co... permanent residence. The last country in which alien resided with the intention of remaining o... permanently shall be the last permanent residence regardless of length of actual residence therein. The information should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (not ... resident of country of temporary residence, country of birth, nationality, or race).

Country of last permanent residence of aliens who are permanent residents of the United Sta... are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entries should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether in possession of $50, and if less, how much*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether in part passage paid*).—The entry should show definitely by whom passage was paid, as, self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should show in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by the ... examination has been c...

AFFIDAVIT OF SURGEON

I, Ruggno Luigi, Surgeon of the S.S. Italia, arriving thereon, (State whether Surgeon "sailing thereon" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly swear that I have had 21 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal Municipality of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 7th day of April, 1920

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Vittorio Olivari Master of the S. S. Re d'Italia, from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*). The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Special care must be taken that the distinction on the immigrants and correctness should be made between persons who should make this distinction on the immigrants and correctness should be made between persons who, by occupation or records, clearly belong to the professional or mercantile classes, and laborers, skilled or unskilled, who do not belong to the professional or mercantile classes.

Column 8. *Can read?* The entry should be either Yes or No. This question is divided and contains the following questions:

Read what language (or dialect)? If an alien can read more than one language, the one in which he can read best should be entered. If the alien can read only a few words or sentences, this fact should be noted.

Write what language (or dialect)? The answer should be entered in the same manner as directed for the preceding question.

Column 9. *Nationality.* Opposite 9 should be entered to indicate the country of which the alien is a native or citizen or subject.

Column 10. *Race or people.* See list of races printed on back of the blue manifest sheets. The entry should be one of those appearing on that list.

Special attention should be paid to the distinction between race and color, which is frequently overlooked. Color should be entered in the proper column, and nothing should be entered in the race column but the race name.

Special attention should be paid to the distinction between race and nationality of birth, and nationality should not be entered in the race column. For instance, "France" appearing under the column for race and people includes "French" by race or people, and "Gaul," "Breton," "Alsatian," "Basque," "Celt," "Norman," "Parisian," "Provençal," "Roman," "Teuton," "Visigoth," and "Walloon" are races or peoples, and not nationalities. Persons of these races or peoples should be entered as natives of the country to which they belong, whether France, Germany, Turkey, Spain, Italy, Russia, England, Scotland, or any other country. In the absence of specific instructions, the following will be respectfully observed:

CUBAN

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

The term "West Indian" refers to the people of the West Indies, other than Cuban or Negroes.

SOUTH AMERICAN

The term "South American" refers to the people of South America, not Spanish or Negroes.

NEGRO (or Moro)

The term "African (black)" refers to the Negro race born in Africa, and the term "West Indian" refers to the Negro race born in the West Indies, North or South America, Europe, or Asia. No Negro with a mixture of blood of the African Negro should be classified under this caption.

ITALIAN, NORTH

The people of the northern provinces of Italy, i. e., compartments of Piedmont, Lombardy, Venetia, Liguria, Emilia, and their descendants, who are residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian, north." Most of these people speak a Gallic dialect in the parent language.

ITALIAN, SOUTH

The people of the provinces of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* A total of an intended residence of one year shall constitute permanent residence. The last entry in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries must name the country and city or town of last permanent residence. It is important for statistical purposes that the immigrant's domicile be shown, not city of last permanent residence independent of temporary residence, country of birth, nationality, or race.

Column 12. *Going to (name of city).* Actual destination, if known, should be given, not the name of a railroad center or a seaport through which alien may pass. The entry should be complete, including name of city, town, or village, and State, if destined to the United States.

Column 13. *Ever in U. S.?* The answer should be either Yes or No.

Column 14. *Ever in prison, etc.?* The entry should show definitely by whom passage was paid, as by self, by what relative, by other friend, by steamship company, etc.

Column 15. *Whether in possession of $50, and if not, how much?* The answer should give no evidence unless the alien has in his possession less than $50. Money brought by the head of a family should be considered as the property of the family.

Column 16. *Whether going to join a relative, and if so, what relative and where?* The entries should show whether or not a Yes or No to the United States, and if so, the relative and his address.

Column 17. *Whether going to join husband, wife, father, or other relative, and what relative and where?* The entry should be answered as in the preceding column, and if so, the relative and his address.

Column 18. *Final destination.* The answer should be the ultimate destination, if known, not the name of a railroad center or a seaport through which alien may pass. The entry should be complete, including name of city, town, or village, and State, if destined to the United States.

Column 19. *Whether ticket is paid for by the alien or by others, whether he has been in the United States before, and if so, when and where.* The entries should show whether or not a Yes or No to the United States before, and if so, the year or period of years and place, as 1905, St. Paul, Minn.

Column 20. *Whether in possession of a ticket through to his ultimate destination, and whether any part of his passage is paid for by others, and if so, by whom.* The answer should be Yes, whether the passage is paid for in part or in full. If not, what relative or friend will remit, with name and complete address.

Column 21. *Whether deformed or crippled, and if so, from what cause.* These questions are self-explanatory, and the answers, like all others, on the sheet are to be made by the alien personally. However, in answering question 21, medical officers of the Service will be governed by the instructions of the Secretary of Labor, authorized by law to supply, if necessary, the medical terms which are to be applied to each individual given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I [illegible], of the [illegible], from [illegible], do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN: NORTH.

The people who are natives of that portion of Italy north of the basin of the River Po [illegible], compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and to aliens of such race—whether residing in Italy, Switzerland, Austria-Hungary, [illegible] Turkey, Egypt, or elsewhere—should be classed as "Italian (north)."

ITALIAN: SOUTH.

The people of all other natives of that portion of Italy south of the basin of the River Po [illegible], compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* A resident alien who has resided one year shall constitute permanent residence. The country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. Two entries are required. He should be asked the name and city or town of his permanent residence. It is important for statistical purposes that in each case the alien accurately show country of last permanent residence independent of country of temporary sojourn, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and who return from abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should consist of name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The entry in this column should show the intended future permanent residence. No accepted residence other than actual permanent residence. The entry should show definitely the place to which alien intended future permanent residence, if within the United States, rather than the name of the United States.

Column 14. *Whether having a ticket through to final destination.* The answer should be either Yes or No, as the case may be.

Column 15. *Whether in possession of $50, and if less than $50, how much.* The entries should show whether the alien has money and how much. Money brought by the head of a family should not be duplicated by the several members of the family.

Column 16. *Whether ever before in the United States, and if so, when and where.* The entries should show whether the alien has been in the United States before, and if so, the year or period of years and place, as "1901, 1905, Philadelphia."

Column 17. *Whether coming to join relative or friend, and if so, what relative or friend, with name and complete address.* The answer should show whether the alien is going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by immigrant inspectors. [illegible] However, in answering questions relating to race or denomination, care should be taken to avoid the use of [illegible] which have also a geographical significance. Thus, for example, the word "Russian" should not be used to indicate race or denomination, as it includes Hebrews, Poles, Finns, and many others who are not Russians by race. Specific races or peoples should be given.

[illegible]

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies, other than either Cuban or Negro.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America, not included in the Cuban, West Indian, Mexican, or Negro races.

MEXICAN.

The term "Mexican" refers to the Mexican people, not Negroes.

The term "African (Black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this head.

AFFIDAVIT OF SURGEON

I, Tuomaso Luigi, Surgeon of the R. N. Italia, allmy Lurwick, do solemnly, sincerely, and truly swear that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Univ. of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Head tax status.* Steamship lines should make no entries in this column. The prescribed head tax will be collected from all aliens not specifically exempted by the Immigration Act of 1924 as follows:

Exempt from tax: The answer in this column should be expressed in one word only, the latter applying to those under 16 years of age.

Column 2. *Sex.* The entry should be either M (male) or F (female).

Column 3. *Married or single.* The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 4. *Calling or occupation.* The entry should describe as accurately as possible the occupation followed by each alien at his last place of abode, as for example: Cotton spinner, stationary engineer, bricklayer, mason, coal miner, farmer, brass polisher, steel polisher, iron molder, wood turner, etc., and not laborer, engineer, polisher, molder, turner, or other indefinite designations.

A farmer should be made between farmers and farm laborers, regardless of the amount of money possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make thorough inquiries and correct wrong heads be made [illegible] by inspectors and deputy clerks during the personal examination of aliens arrived.

Column 5. *Nationality and race.* This column should be ruled and contains the following question: "To what country or people is the alien subject?" In answering this question, if an alien is able to read, he should be asked. If the alien is unable to read and cannot write in the preceding requirement, the second for such exemption should be given.

Column 6. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 7. *Race or people.* See list of races printed on back of the head. The entry should be one of the races or peoples given on said list.

Special attention should be paid to the distinction between race and the country of which the alien is a citizen or subject, the country of last permanent residence and country of birth, and care is to be exercised by the inspectors and deputy clerks in this regard. For instance, France appears under the head country, but the term "French" by race or people and, similarly, "French" appear under the head country, but the term "French" by race or people does not mean France by country. An Irish, German, or Hebrew alien born in Ireland, Germany, or Russia, respectively, is properly to be classed under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN

The term "West Indian" refers to the people of the West Indies other than either Cuban or Negro.

SPANISH AMERICAN

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO)

"African (black)" refers to the Negro race, whether a native of Africa, the West Indies, Central America, South America, Europe, or America. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH

The people who in ancient times lived in the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN, SOUTH

The people who, since ancient times, have lived in that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* A actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries must include (1) the city, town, or village, and (2) the country, province, state, or island in which such city, town, or village is situated. Steamship companies incorrectly show country of last permanent residence independent of city, town, or village of residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to remain permanently abroad should be recorded "United States."

Columns 12. *Name and address of person in country last mentioned to whom alien is going.* The entry should give name and address of such relative. If not going to relative living, give name and address of friend.

Column 13. *Final destination.* The answer to this question shall show the intended future permanent residence. An intention to remain one year shall constitute permanent residence. The answer should include the place, city or town, of intended future permanent residence within the United States, country of residence if to the United States.

Column 14. *Whether having a ticket to such final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether money was prepaid.* The entry should show definitely by whom passage was prepaid; husband, father, brother, or other relatives; friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less, how much.* The answer should give in each case individual totals, the exact amount of money shown. Money brought by the head of a family should not be divided, as are the several members of the family.

Columns 17, 18. *Whether ever before in the United States and if so, when and where.* The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, e. g., 1892–1897, Philadelphia.

Column 19 (18). *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether going to join, if so, relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are all explanatory and the answers, like all others on the sheet, are subject to revision by the inspection officer to the exact facts of the alien. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years, or months if the latter applies, as in the case of infants.

Column 4. *Sex.* — The entry should be either M male, or F female.

Column 5. *Married or single.* — The answer should be M married, S single, W widowed, or D divorced.

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mechanical engineer, mason, bricklayer, stone cutter, tailor, tinsmith, printer, compositor, engraver, lithographer, painter, glass blower, cabinetmaker, carpenter, farmer, laborer, servant, clerk, etc. Do not use such indefinite designations as boy, girl, child, or baby.

A laborer should be made to say whether a farmer or farm laborer, regardless of the one or more he has been, and whether he intends to work on a farm or for himself or for others.

A farmer means one who owns a farm, cultivates it himself or by others.

A farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make the distinction between farmers and laborers on the manifests, and correctness should be insisted upon.

Column 7. *Nearest relative or friend in country whence alien came.* — The column is subdivided into two parts. Read what has been said in regard to the exemption to be claimed under the head of "Head tax status." In answering this question the last place of residence of the alien is unable to read should be stated. If alien is unable to read and claims exemption from the literacy requirement, the ground for such exemption should be given.

Column 8. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 9. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the entry of which he citizen or subject, as the latter is frequently the reverse of the former, and country of birth, and manifests should be carefully examined by inspectors to see that they are correct in this regard. For instance, France appearing under the head of country, does not mean French; French race or people, and, similarly, French appearing under the head of race or people does not mean France by country. An Irish German, or Hebrew should not be entered as of the Irish race, German race, or Hebrew race, but as of the country from which he came. Natives of Ireland, Switzerland, or any other country, should be entered as of the race or people to which they belong, and not as of the country of birth. In this connection the following definitions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negro.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

HEBREW.

The people who are native to the basin of the River Po in northern Italy, i.e., the compartimenti of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and people resident who for two years or more have been subjects of Austria-Hungary, or any other country, should be classed as Hebrew, whether of Semitic or other origin. Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the basin of the River Po, i.e., the compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants born in the United States, shall be classed as Italian (South), provided actual or intended residence of one year shall constitute residence. The last country in which alien resided with the intention to remain one year shall be considered residence. Thought as to future residence therein. The entries in this column should show last permanent residence regardless of length of time passed there. The entry in column 11 should show race, country and city or town of last permanent residence. It is important that special pains be taken by steamship companies accurately, thus entering, if last permanent residence, or place of temporary residence cannot be given, the country of birth, race, city or town.

Country of last permanent residence of aliens who are not permanent residents of the United States and return to the United States should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, a statement to that effect should be made.

Column 13. *Final destination.* — The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be followed by the place, city or town of intended future permanent residence in or about the United States, country without the United States.

Column 14. *Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer should be yes or no. The entry should show definitely by which relative or friend the passage was paid, as, for example, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15. *Whether in possession of $50, and if less how much.* — The answer should be yes or no. The entry should show the exact amount of money in possession of the alien. Money by express, draft, or check should not be counted. In case of families, the statement of the amount of money in possession of the head of the family will be sufficient, the several members of the family not being required to state the amount of money in their possession.

Column 16. *Whether ever before in the United States, and if so, when and where.* — The entry should show a visit or residence in the United States before and the date and place of such visit or residence, as, for example, 1901, Philadelphia.

Column 17. *Whether coming to join relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer should show whether going to join a relative or friend, and if so, what relative or friend with name and complete address.

Columns 20 to 43. — These questions are self explanatory and should be answered as directed on the sheet. The questions to be asked by inspection officers in the examination of aliens. However, in answering the question 27 as to when has been deported within one year, and the Secretary of Labor has authorized him to apply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

NOTE—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government, because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Master, of the [illegible], from Naples, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 19 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The entries is for use of Government officials only.

Column 3. *Age.* — The answer to this question should be expressed in years. Where the figure applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M. (male) or F. (female).

Column 6. *Married or single.* — The answer should be M. (married), S. (single), W. (widowed), or D. (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as, for example, Clerk, servant, seamstress, farmer, laborer, mechanic, painter, engineer, tailor, baker, goldsmith, steel polisher, iron molder, and barber, and as simply as possible, not by letters, or other undistinctive characters.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who owns or rents a farm, cultivates it himself or employs others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this decision based on the statements and correspondence held by them, if necessary, by inspectors and receive a large share of the personal examination devolves upon them.

Column 8. *Able to read or not able to read.* — This column is to indicate whether the foreigner can read or not. Read what language. If exempt on account of age, state age, if 16 or over. In answering this question the entry should be "yes" or "no." Any alien who can read in any language or dialect should be entered as able to read, and classed as exempt in case the reading requirement, through [illegible] or such examination should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of the sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which the person last resided, country of last permanent residence, and country of birth, and must be carefully revised by inspectors and persons, clerks in the vessel. For instance, Turkey appearing under the head of country, does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien to be recorded properly must not be under the headings of England, Switzerland, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native born Caribbean, British West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the Provinces of Trentino, Istria, Savoy, Nice, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (South)."

Column 11. *Last permanent residence.* — Actual origin intended to be noted. One year shall constitute permanent residence. The latest country in which alien resided with the intention of remaining permanently or for a long time shall be the last permanent residence regardless of how frequently or how often he may have changed his residence during that period. Thus, a person who has resided for a number of years in Italy, but who has gone to the United States frequently for short periods of time, intending to remain permanently each time, should show Italy as the country of last permanent residence. Where a person has resided for several years in the United States, but has gone to Canada or Mexico for a short visit, intending to return to the United States, the United States should be recorded as the country of last permanent residence. A mere visit to the United States for a few days, weeks, or months, for business or pleasure, with the intention of returning to the country of permanent residence, does not constitute the United States country of last permanent residence. The question refers to the country of last permanent residence of aliens who are permanently or for a long time residents of the United States and not transients, who should be recorded "United States."

Column 12. *Name and complete address of person or relative in country whence alien came.* — The entry should give name and full address of such relative. If no such relative, living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question must show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence within the United States, or state if to go to the United States.

Column 15. *Whether in possession of railroad ticket to destination.* — The entry should be "Yes" or "No," as the fact.

Column 16. *By whom was passage paid.* — The entry should show definitely by whom the passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less than $50 how much.* — The answer to this question as to each individual or family, the exact amount in money shown. Money belonging to each person in a family should not be included in the total money of the family.

Column 18. *Whether ever before in the United States and if so when and where.* — The entry should show whether or not a person has ever been in the United States before, and if so, give approximate date and place, as "1894, Chicago," "1901, Philadelphia."

Column 19. *Whether going to join relative or friend and if so, give name and full address.* — The answer should show whether going to join another relative or friend and if so, what relative or friend, where he resides, and complete address.

Column 20 (3). — These questions are self-explanatory, and the answers, like all others on the sheet, are subject to verification by the officer in the examination of the alien. However, in answering question 2 if alien has been deported within one year and the Secretary of Labor has exercised his discretion to remit the head tax, the authority for such remittance should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had 21 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 97 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this [illegible] day of [illegible], 19[illegible]

at [illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, Head tax.—Steamship lines should make no entries in this column. The space [illegible] only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter [illegible] year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7, Calling or occupation.—The entry should describe as accurately as possible the occupation, trade, profession, or calling of each alien on arrival at destination. Do not enter, for example, "Civil engineer," "mining engineer," "consulting engineer," "steam engineer," "marine engineer," "gas engineer," brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction is to be made between farmers and farm laborers, regardless of the amount of money [illegible].

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies are held more carefully to the entries on the manifests, and corrections should be made [illegible] surgeons and inspectors and ship's clerks during the personal examination of alien arrivals.

Column 8, Able to read and write.—This column is subdivided and contains the following questions: Read what language, if exemption is claimed, upon what ground? In answering this question the [illegible] alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9, Nationality.—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10, Race or people.—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. The country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head [illegible] does not mean "French" by race or people, and, similarly, "French" appearing under race [illegible] does not mean "France" by country. An Irish, German, or Hebrew alien is sometimes [illegible] the country in which born or England, Switzerland, or any other country. In this connection the following observations should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who therefore comes from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12, Name and complete address of nearest relative or friend in country whence alien came.—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13, Final destination.—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, [illegible] outside the United States.

Column 14, Whether having a ticket to such final destination.—The answer should be either Yes (ticket) or No (ticket).

Column 15, By whom is passage paid.—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16, Whether in possession of $50, and if less, how much.—The answer should give in each case the amount, if any, in the exact amount of money shown. Money brought by the head of a family should be [illegible] to the several members of the family.

Column 17, Whether ever before in U. S., and if so, when and where.—The entries should show whether married (Yes or No) in the United States before, and if so, the year or period of year, and place (e. g., 1890, Philadelphia).

Column 18 (Whether going to join relative or friend; and if so, what relative or friend.—The answer should show whether going to join either a relative or friend, and if so, what relative or friend with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 25, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I [illegible], Surgeon of the [illegible], acting [illegible], do solemnly, sincerely, and truly swear that I have had [illegible] years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal University of Naples, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon "acting there" or "employed by" the Government, and give title of the person or other officer authorized to administer the oath in the case in question.)

Sworn to before me this [illegible] day of [illegible], 19[illegible]

at [illegible]

[illegible]

(Signature and title of the person or other officer authorized to administer the oath.)

NOTE.—If the condition of any of the aliens must be noted on the manifest, the affidavit must be executed at the port of departure and not elsewhere. If the Surgeon's certificate shall be executed at the port of departure, the physical and mental examination of the aliens must be made by the Surgeon at the time of the inspection of the vessel. The Surgeon's certificate shall be executed at the port of departure and not elsewhere.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), W (widow), or D (divorced).

Column 6. *Calling or occupation.* — The entry should describe as definitely as possible the occupation of each person, as, for example, "Farmer," "Laborer," "Tailor," "Merchant," "Clerk," "Servant," "Weaver," "Shoemaker," "Engineer," "Lawyer," "Miner," "Painter," "Mason," "Carpenter," "Blacksmith," "Cabinetmaker," "Gardener," "Housekeeper," "Seamstress," "Cook," etc.

Children should be made between farmers and farm laborers, regardless of the name of the business, as follows:

A farmer who operates a farm, either his own or that belonging to others.

A farm laborer who works on a farm for the man who operates it.

Steamship companies should make their instructions on the manifests and cause them to be filled out by passengers and properly checked over by the proper examining officers, as follows:

Column 7. *Able to read and write.* — This column is subdivided and contains the following question:

Read what language, if any? If exemption is claimed upon what grounds? In answering this question Portuguese or Hebrew dialect the alien is able to read should be stated. If the alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 8. *Nationality.* — Question 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9. *Race or people.* — See list of races printed on back of this sheet. The entry must show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and testing clerks in this regard. For instance, France appears under the head of country of birth, French by race or people, and, similarly, French appearing under the head of race or people does not mean "France" by country. An Irish, German or Hebrew alien may belong to any race, might properly come under the headings of England, Switzerland, or any other country. In this connection the following directions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native or citizen of Cuba or the British West Indies, North or South America, Europe, or Africa. Any alien of the aforementioned races, not of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po, in northern Italy, i.e., the compartimenti of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i.e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10. *Last permanent residence.* — Actual or an intended residence of one year. Last permanent residence should be the last permanent residence regardless of length of stay in the country. However, if a person shows that he has been in a country for temporary residence only, such as travel, business, etc., that country shall be the last permanent residence. It means the last permanent residence made voluntarily, the exact amount of time may show it. Money brought by the head of family should not be divided among the several members of the family.

Column 11. *Whether ever before in the United States, and if so, when and where.* — The answer should show whether or not Yes or No in the United States before, and if so, the year and the place, as "1894, Philadelphia."

Column 12. *Whether going to join relative or friend, and if so, what relative or friend, and address.* — The answer should show who they are going to join, either a relative or friend, and their relative's full name and complete address.

Columns 29 to 33. These questions are self explanatory and the answers, like all others on the list, are subject to examination by inspectors or officers in the examination of aliens. However, no answer to question 32, if alien has been deported within one year, and the Secretary of Labor has not waived the right to apply to Congress, the authority for such exception should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steam lines should make no entries in this column. The entry is for Government officials only.

Column 4. *Age.* — The answers in this column should be expressed in years. Infants under the age of one year should be stated in months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Cabinet maker, stonemason, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make these distinctions upon the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8. *Able to read and write.* — This column is subdivided and contains the following question: Read what language [or, if exemption is claimed upon what ground]. In answering this question, the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should be the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by birth might properly come under the heading of England, Switzerland, or any other country. In this connection the following descriptions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who therefore must be carefully distinguished from the West Indies, North or South American, European, or Asiatic Negro. Any alien with admixture of black blood of the African Negro should be classified under this head.

ITALIAN NORTH

The people who are native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emelia and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN SOUTH.

The people who are native to that portion of Italy south of the basins of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian, south."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute a permanent residence. The last country in which he resided with the intention of remaining one year or more shall be the last permanent residence regardless of any other intention or disposition thereof. Two entries are required. It should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and except persons returning after a visit abroad should be recorded "United States."

Column 12. *Name and complete address of relative in country whence alien came.* — The entry should give name and address of such relative. If no such relative, give name and address of friend.

Column 13. *Destination.* — The answer to this question shall be the city or town of last permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town, of intended future permanent residence within the United States, country if outside the United States.

Column 14. *Whether going to join relative or friend, and if so, what relative or friend, and how long such relative or friend has been in the United States, and if so, when and where.* — The entry should show whether or not he is going to a relative or friend, and if so, what relative or friend, how long in the United States before, and if so, the year or period of years and place, as 1891, 1901, Philadelphia.

Column 15. *Whether in possession of $50 and if less how much.* — The answer should show whether or not he has either a relative or friend, and if so, what relative or friend, how long in the United States before, and if so, the year or period of years and place, as 1891, 1901, Philadelphia.

Column 16. *Whether ticket is paid for by himself or by other person or by relative or friend; and if so, what relative or friend.* — The answer should show whether or not he has either a relative or friend, and if so, what relative or friend, how long in the United States before, and if so, the year or period of years and place, as 1891, 1901, Philadelphia.

Column 17. *Whether in possession of railroad ticket to interior destination, and if so, to what place.* — The answer should show whether or not he has a railroad ticket to interior destination, and if so, to what place.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The entry should show whether or not he was in the United States before, and if so, the year or period of years and place, as 1891, 1901, Philadelphia.

Column 19. *Whether ever before in prison or almshouse or supported by charity.* — The answer should show whether or not he has been in prison or almshouse or supported by charity.

Column 20. *Whether a polygamist.* — These questions are self explanatory and the answers, like all others on the sheet, are supplied by inspection officers in the examination of aliens. However, in case the question is answered in the affirmative, the alien has been deported within one year and the Secretary of Labor has authorized him to apply for readmission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I Lettrio Aurora Ulisse, of the (state whether Master, First or Second Officer) S.S. Re d'Italia, from Napoli, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column, as the head tax is for the use of Government officials only.

Column 4. *Age.* — The answer to this column should be expressed in years. In the case of infants, the fractional part of a year may be expressed in months, as "6 mos.," "9 mos.," etc.

Column 5. *Sex.* — The entry should be either M. male, or F. female.

Column 6. *Married or single.* — The answer should be M. married, S. single, W. widowed, or D. divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien at the time of his arrival. An example: Coal examiner, statistician, examiner of machinery, sheet pump, gas engineer, brass polisher, steel polisher, cost modeler, wood turner, etc., and not simply "engineer," "polisher," "modeler," "turner," or other indefinite designations.

Additional care should be used to distinguish between farmers and farm laborers, regardless of the manner in which they are shown on the ship's lists. Farmers should be shown as follows:

A farmer (meaning a person who operates a farm, either for himself or for others).

A farm laborer (meaning a person who works on a farm for the man who operates it).

Steamship companies should make this distinction on the manifests, and if any case is not clear, the immigration officers at the ports of arrival will make the necessary inquiries and require the correction of the entries.

Column 8. *Ability to read.* — This column is subdivided and contains the following questions:

Can read. Can write. Can both read and write.

Read what language. — If exemption is claimed upon account of illiteracy, this question, the fifty-third, or the ability to read should be stated. If the alien is unable to read, and claims exemption from the reading requirement, the cause and the law for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should be the race or people as given in said list.

Special attention is invited to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and inquiries should be carefully revised by inspectors and deputy clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may be a native of France, might properly come under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the Negro, whether a native of Africa or of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

HEBREW.

This people, whether they be natives of Russia, Austria-Hungary, Germany, France, England, Holland, Spain, Portugal, Turkey in Europe, Asia, or Africa, Egypt, Arabia, Persia, India, China, Japan, or any other country, should be specifically described as Hebrews.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and many descendants who, since 1866, have settled in Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the line of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian (south).

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of the fact that he may have visited for a period of less than one year another country with the intention of returning to former residence. Country of last permanent residence should be shown. If alien has been in the United States and has returned to country of last permanent residence, it should also be shown. If alien's permanent residence is in the United States, the name of the city or town of last permanent residence should be shown.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. It is not sufficient to enter "wife," "husband," "father," "mother," "brother," "sister," "friend," etc., but the name and address of such relative or friend must be given.

Column 13. *Final destination.* — The answer to the question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence within the United States. The entry "unknown" is not sufficient. The entry "will proceed to Canada" or other country outside the United States is sufficient.

Column 14. *Whether in possession of $50 and by whom furnished if less than $50.* — The answer should be "Yes" or "No."

Column 15. *Whether ticket is through or to interior point.* — The answer should show whether the ticket is "through" or "to interior point," as the case may be.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer should show whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 17. *Whether ever before in the United States, and if so, when and where.* — The answer should show whether "Yes" or "No," as the case may be, and if so, the year, as nearly as can be stated, and place, as, "1891, Philadelphia."

Column 18. *Whether ever in prison or almshouse or supported by charity, and if so, which.* — The answer should show whether "Yes" or "No," as the case may be, and if so, which.

Columns 19 to 23. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 22, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Ulisse Olivari, Master, (State whether Master, First, or Second Officer) of the S. S. Italia, from Napoli, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Ulisse Olivari

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column is subdivided and contains the following question: Read what language (or, if exemption is claimed upon what ground)? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there in. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as, e.g., husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case the individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States; and if so, when and where.*—The entry should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place, as, 1891, 1896, Philadelphia.

Column 19. *Whether going to join relative or friend; and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answer to question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] (State whether Surgeon "sailing therewith" or "employed by ... thereof," as the case may be.) years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible]; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, the affidavit of verification shall be executed before an immigration officer at port of arrival, and not before the surgeon himself. If the surgeon is not with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head for states.*—Steamship lines should make no entries in this column. The word is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years, entering the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married, widowed, or divorced) or S (single).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each adult at the time of arrival, as, for example, Civil engineer, shipper, laborer, merchant, farmer, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as engineer, farmer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifest, and corrections should be made if necessary, by inspectors and registry clerks, during the personal examination of aliens at arrival.

Column 8. *Able to read and write.*—The column is subdivided and contains the following question: Read what language (or, if exempt as to tainted, upon what ground)? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of the sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which alien is a subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in the record. For instance, France appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race does not mean "France" by country. An Irish, German, or Italian alien by race or people does not necessarily belong to the country of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not to race.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than the Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, of pure Spanish or mixed Spanish and Indian race.

AFRICAN (BLACK).

"African (black)" refers to the African race, whether born in Africa, the West Indies, South or Central America, Europe, or America. Any alien with ghost or chief of the African Negro should be classified under this heading.

ITALIAN (NORTH).

In general, those native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

In general, those native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intent and remaining one year constitutes permanent residence. The last permanent residence regardless of length of actual residence there. Three types of information should show the country and city or town of last permanent residence. It is important that local ports see that steamship companies accurately show country of last permanent residence, and not country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence he came.*—The entry should give name and address of such relative. If such relative buys ticket, give name and address of friend.

Column 13. *Locality destination.*—The answer to the question should show intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should be determined by the place to which, if known, of intended future permanent residence within the United States, or country, if outside the United States.

Column 14. *Whether has a ticket and whether paid for by self or other person or corporation.*—The answer should show Yes ticket or No ticket.

Column 15. *By whom was passage paid.*—The entry should show by whom the passage was paid, as self, friend, father, husband, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50 and if not, how much.*—Money belonging to the family, but entered in the name of one member of the family, should be considered as in the possession of that member. The answer should not be divided among the several members of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The answer should show whether or not alien has been in the United States before, and if so, when and where.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.*—The answer should show whether alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 20 (a) (b). *Whether deported, and if so, why.*—The aliens to be examined at the time of their arrival are subject to deportation by reason of conditions existing at that time. However, aliens who are found to have become public charges, or to have violated the terms of the conditions under which they were admitted, at any time within three years after their entry, are subject to deportation on the warrant issued by the Secretary of Labor. Accordingly, in order to enable the Department of Labor to keep a record of the cases in which aliens become public charges within three years after their entry, it is necessary that the immigrant inspectors at the ports of arrival should ascertain and show on the manifest the name of the port at which each alien was admitted, the date of admission, and the class under which admitted, as, for example, "Section 2, 1907," "Section 3, 1907," "Section 4, 1907," "Section 1, 1910," "Section 2, 1910," "Section 3, 1910," "Section 4, 1910," "Section 1, 1913," "Section 2, 1913," "Section 3, 1913," "Section 4, 1913," "Section 1, 1917," "Section 2, 1917," "Section 3, 1917," "Section 4, 1917," "Section 1, 1918," "Section 2, 1918," "Section 3, 1918," "Section 4, 1918," "Section 1, 1919," "Section 2, 1919," "Section 3, 1919," "Section 4, 1919," "Section 1,

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Amari, (State whether Master, First, or Second Officer) of the R. S. Italia, from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M, married; S, single; Wd, widow or widower; or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correspondence should be maintained necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8. *Able to read and write.*—This column, as shown below, contains the following question: "Read what language, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be promptly revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In the connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native in an Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien comes.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Is intending to become a citizen.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as, e. g., husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entry should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1891, 1895, Philadelphia.

Column 19. *Whether coming to join relative or friend, and if so, what relative or friend; name and complete address.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Head tax status.*—Steamship lines should make no entries on this column. The space is for use of Government officials only.

Column 4 *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 *Sex.*—The entry should be either M, male, or F, female.

Column 6 *Married or single.*—The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 7 *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who cultivates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who cultivates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 *Able to read and to write.*—This column is subdivided and contains the following question: "Read what language?" If exemption is claimed upon what grounds? The answer to the first question in the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 *Native country.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 *Races—people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the head of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African race, to whatever country it may belong. Any alien of African nativity or blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, shall be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual residence intended to be one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is understood for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. It is not sufficient to give merely name and address of friend.

Column 13 *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether has ticket through to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much.*—The answer should give in each case individual or family—the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*—The entry should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1901-1914, Philadelphia.

Column 19 (*Whether coming to join relatives or friends; and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 32, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible]

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Vittorio Olivari, Master, of the S.S. Re d'Italia, from Naples, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Civil engineer, stationary, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who cultivates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who cultivates it.

Steamship companies should make these distinctions on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8. *Able to read and write.* — This column is sub-headed and contains the following question: Read what language [or if exemption is claime upon what ground]. The answer to this question the alien can read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew who is by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African, black" refers to the African Negroes who themselves or whose ancestors came from Africa, either directly or indirectly, but who themselves were born in the West Indies, South or South America, Europe, or Africa. Any alien of the admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Umbria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants shall be classed as "Italian, south."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent and remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. If entries in Column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, not country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a permanent abode should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative be living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, county, if outside the United States.

Column 15. *Whether in possession of ticket to final destination.* — The answer should be either Yes or No, as the fact may be.

Column 16. *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as, self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less than $50, how much.* — The entry will have to be made for each individual or family, the exact amount of money shown. Money should be by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The answer should show whether or not Yes or No in the United States before, and if so, the year, period of residence, and place, as 1901-1909, Philadelphia.

Column 19. *Whether going to join relatives or friends, and if so what one and their name and address.* — The answer should show whether going to join other relative or friend, and if so, what one, name and complete address.

Column 20 to 33. — These questions are self-explanatory and the answers likewise. All answers are subject to revision by inspection officer to the examining surgeon. However, no answer to question 21 if alien has been deported within one year and the Secretary of Labor has not consented to reapply for admission the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Silvio Olivari, Master, of the S.S. De d'Italia, from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Whether citizen*.—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age*.—The answer in this column should be expressed in years, through the latter applying only to those under 1 year of age.

Column 5. *Sex*.—The entry should be either M, male, or F, female.

Column 6. *Married or single*.—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation*.—The entry should describe as accurately as possible the occupation, trade, or profession of the alien at the time of arrival, as, for example, Civil engineer, stationary engineer, bookkeeper, stenographer, tailor, seamstress, servant, housekeeper, clerk, shoemaker, shoe polisher, wood polisher, iron molder, wood turner, cook, and the like. Simply the general terms laborer, farmer, or other indefinite designations should not be used.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, rent, or for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their returns to the manifests and correspondence should be made unnecessary. Inspectors and registry clerks doing the personal examination of aliens are—

Column 8. *Can read or can not read*.—The column is to be filled to indicate whether the person can read or can not read. In answering this question the language or dialect the alien is able to read should be stated. If the alien is unable to read, and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality*.—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people*.—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and mistakes should be carefully revised by inspectors and registry clerks in this regard. For instance, France appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien is a race and not properly to be entered under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than native Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or of the West Indies, North or South America, Europe, or Africa. Any alien who is a native, or of the blood of the African Negro, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the back of the River Po in the provinces of Italy formerly constituting Piedmont, Lombardy, Venetia, and Emilia, and to their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the Latin of the River Po, or the departments formerly constituting Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence*.—Actual or intended residence for one year shall constitute permanent residence. The letter or city in which alien resided with a view to and remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries "U. S.," "U. S. A.," should not be used, but entry should show city or town and State of last permanent residence. It is important for statistical purposes that steamship companies accurately observe and report the last permanent residence independent of country of temporary residence. Country of birth is not to be entered.

Country. That permanent residence of aliens who are not returning to places of the United States and returning to their native or adopted abroad should be recorded in detail, as—

Column 12. *Name and complete address of nearest relative or friend in country whence alien came*.—The entry should show name and address of such relative. If no such relative or friend, so state; and address if traced.

Column 13. *Final destination*.—The answer to this question shall show the intended, but not permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show destination, the place city or town of intended future permanent residence within the United States, as near as possible, if going to the United States.

Column 15. *If having been in the United States previously, when and where*.—The answer should show other Yes or No; tickets.

Column 16. *Whether in possession of $50 and by whom furnished*.—The entry should show amount, if any, in possession of alien, and by whom furnished, as, for example, money brought by the alien, $30; sent by husband, father, brother, or other relative, friend, steamship company, etc.

Column 17. *Whether ticket through to destination and whether in possession of railroad or steamship ticket agent*.—The answer should show whether alien has railroad ticket through to destination, and whether ticket is in possession of alien or is held by railroad or steamship company.

Column 18. *Whether ever before in the United States, and if so, when and where*.—The entry should show whether or not Yes or No, in the United States before, and if so, the date and place, as 1893, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what one, and where*.—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—The questions are self-explanatory, and the answers like are elsewhere called for, are subject to be passed upon by inspectors, others to the examination of aliens. However, in case question 23, if alien has been deported within one year and the Secretary of Labor has granted permission to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Note.—If any of the above statements are not known, the reason why it does not is stated below in immigrant's own words. Each alien must be asked whether he has ever been in a prison, almshouse, or institution for the care of the insane or feebleminded, or supported by charity, and whether he is a polygamist, or believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or is an anarchist, or a believer in the practicability or desirability of the establishment and enforcement of any form of government or social order that will guarantee to every man his equal right to life, liberty, and the pursuit of happiness. If any immigrant is unable to read, the fact must be stated. Any evidence of the existence of a loathsome or dangerous contagious disease must be noted at once and the immigrant detained for examination. Any person who has been deported, and who may subsequently apply for admission to the United States, must be specially examined to ascertain whether he has received the consent of the Secretary of Labor to reapply for admission.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak? The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Section 1 of the act approved February 20, 1907, provides as follows: That the following classes of aliens shall be excluded from admission into the United States: All persons who believe in or advocate the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieve in or are opposed to all organized government, or who advocate the assassination of public officials, or who advocate or teach the unlawful destruction of property, or are members of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Vittorio Olivari Master, of the S. S. Italia, from Naples, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, XI in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Vittorio Olivari

Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, state navy engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not, simply, engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money he is worth, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and receipt refused after the personal examination of aliens arrives.

Column 8. *Nationality.* — These columns should be left blank because the following question, "Race or people," contains the same information.

Read what language, if any, exemption examination upon was read. In answering this question the language or dialect of which alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Race or people.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — Separate columns should be used for each. The entry should describe the race or people as Anglo-Saxon, Irish, Negro, etc.

Special attention is directed to the distinction between race and the country of which the alien is a subject, country last to be considered as residence and entitled to be named in the proper column. Thus, a person born in Ireland, but going from England to the United States, should be entered as Irish in column 9 and English in column 10, whether he has resided in England for a short or long time. Similarly, a Scotch person coming from Canada should be entered as Scotch in column 9 and Canadian in column 10, and a German coming from Switzerland should be entered as German in column 9 and Swiss in column 10.

The following directions should be carefully observed:

CHINESE.

The word "Chinese" must be used to designate all persons belonging to the Mongolian race.

JAPANESE.

"West Indian" must be used to designate all persons born in the West Indies, whether white, black, or mulatto, and whether of African descent or descendants of the aborigines.

SPANISH AMERICAN.

"Spanish American" must be used to designate all persons born in Central and South America, Mexico, or the West Indies, whether white, black, or mulatto, and whether of African descent or descendants of the aborigines.

AFRICAN (BLACK).

"African (black)" must be used to designate all persons of African descent, born in Africa, whether they have resided in the United States or not. Any alien who has African blood in his veins, but who is known as a mulatto, quadroon, octoroon, or colored person in the country whence he comes, should be classified as belonging to the African (black) race. Under no circumstances will a native of Africa be admitted as a white person, nor will a person who is known as a colored person in the West Indies, Central America, South America, or Mexico be admitted as a white person unless he can show conclusively that he belongs to the white race.

ITALIAN (NORTH).

The people who are native to the basins of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, except natives of Italian cantons of Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the line of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence or the year's dwelling place is meant. The last country in which alien resided with the intention of remaining permanently shall be deemed a permanent residence, regardless of length of actual residence therein. If the entries in columns 11 and 12 are identical, ditto marks may be used. The entries should be the countries and city or town in which the aliens intended permanently to reside. Temporary residence for a few months for the purpose of passing through a country en route to another country should not be entered as permanent residence in that country.

Country of last permanent residence of aliens who are temporarily residing in the United States and contemplate returning to a foreign abroad should be recorded "United States."

Column 12. *Final destination.* — Question 12 should be construed to mean the city or town in the United States to which alien is going, and not the State. The entry should give name and address of relative or friend, if any, to whom alien is going. The entry should give name and address of such relative. If no such relative, each alien must state the name and address of himself.

Column 13. *Ever in the United States.* — The answer to the question, shall be "yes" if alien has been in the United States at any time previously, and "no" if alien has never been in the United States. Aliens who have been in the United States previously, but who have been absent for more than one year, should be considered as having been in the United States previously, and the answer should be "yes."

Column 14. *Whether coming to join a relative or friend, and his name and complete address.* — The entry should state definitely the place, city or town, of intended future residence, and the name and address of relative or friend, if any, to whom alien is going. The entry should not be "New York," "Chicago," "Philadelphia," or "Pittsburgh," unless alien is going to one of these cities. The mere name of a State is insufficient. The entry should state definitely whether alien is going to a farm or to a city, village, or town. Aliens who intend to proceed to Canada, Mexico, Cuba, Central America, South America, or any country other than the United States should not be admitted, unless they have an unexpired ticket to their destination.

Column 15. *Whether in possession of $50, and if less than $50 how much.* — The answer should be "yes" or "no," as the case may be. Money belonging to husband, wife, or minor children, and money in possession of a relative or friend, should be included in the amount stated. Money belonging to a steamship company or railroad or other transportation company should not be included. The amount of money in possession of each alien must be stated. Gold coin of the United States, or its equivalent, should be reported as 100 per cent, paper money as 100 per cent, silver as 50 per cent, and foreign gold as 80 per cent of their value in United States money. Individuals, and not families, are required to report the money in their possession. Thus, a father having $100 must report that amount, although his wife and children may have no money at all. Each alien must be questioned as to the amount of money he has with him, and the answer recorded. Any alien who has been in the United States previously should be questioned as to the amount of money he had with him on his last arrival, and if he had more than he has now he should be questioned as to what has become of the excess.

Column 16. *Whether going to join a relative or friend, and his name and complete address.* — The answer should be "yes" or "no," as the case may be. If the answer is "yes," the name and complete address of the relative or friend should be given, and the manifest should show whether such relative or friend is a father, mother, husband, wife, brother, sister, son, daughter, uncle, aunt, nephew, niece, grandfather, grandmother, cousin, or other relative, and whether he or she is a citizen of the United States, or has a declaration of intention, or is an alien who has neither taken out first papers nor become naturalized. If the answer is "no," the manifest should show whether alien has a ticket entitling him to proceed to his destination, and whether he has been assisted by any person or society in procuring such ticket. If the answer is "yes," the manifest should show whether alien has been assisted by any person or society in procuring such ticket, and if so, by whom. Each alien should be questioned as to whether he has been assisted by any person or society in coming to the United States, and if so, by whom, and the answer recorded. Any alien who has been assisted by any person or society to procure a ticket or to come to the United States should be detained for further inquiry, unless he can satisfactorily establish that he is not likely to become a public charge, and that he does not belong to any of the classes excluded by law. Any alien who has been assisted by any person or society to procure a ticket or to come to the United States should be required to state whether he intends to comply with the contract, and if not, why not. Special care should be exercised in the examination of such aliens.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(State whether Surgeon "assigned to the service" or "contract" Surgeon, as the case may be)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the preceding Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH

The people who are native to the basin of the River Po in the provinces of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether in the United States, Austria-Hungary, or any other country, shall be classed as North Italians. These people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, i.e., the provinces of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, whether in the United States, Austria-Hungary, or any other country, shall be classed as South Italians.

Column 11, *Last permanent residence.* Actual or intended residence for one year or more is meant. Temporary residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence, regardless of the length of time spent in any country.

Column 11 should show the country and city or town that persons claim as their home, even though they may have been temporarily residing in other countries. The important point is that steamship companies are entirely responsible for the return to the last permanent residence of all aliens who are not admitted to the United States, regardless of country of temporary residence, country of birth, or race.

Country of last permanent residence of aliens who are not natives of countries contiguous to the United States and who embark for the United States in a country other than that of their birth should be the country of birth, unless they have resided for one year or more in the country whence they embark.

Column 12. *Name and complete address of nearest relative in country whence alien came.* The entry should give name and address of such relative. If unmarried, the address given should be that of parent.

Column 13. *Final destination.* The agent will question each alien as to the place to which he is destined. An intended residence of one year shall constitute sufficient information. The entry should show definitely the place, city or town, of intended future residence. Do not enter, as final destination, a country outside the United States.

Column 15. *Whether has a ticket through to final destination.* [illegible] Yes or No.

Column 16. *Whether in possession of $50 and if less, how much.* [illegible] individual or family the exact amount of money in his possession. Money includes all forms of currency, including the several metallics of the latter.

Column 18. *Whether ever before in the United States, and if so, when and where.* [illegible] show whether or not Yes or No in the United States before, and if so, when and where, as, 1891, 1895, Philadelphia.

Column 19. *Whether coming to join relative or friend, and if so, what relative or friend, and complete address.* [illegible] and complete address.

Letter 20 to 33. The respective letters, declaratory and [illegible] are to be [illegible] question No. 2, if [illegible] to [illegible] question No. 2, if [illegible] and the Secretary of Labor [illegible] to apply for admission, the authority for such application should be given.

Columns 1 to 4. [illegible] Steamship line should make no entries in these columns. The name [illegible] the passenger.

Column 5. The name of each person should be stated in full, the surname being written first, then the Christian name or names, and the middle name or initial, if he has one.

Column 6. Enter whether M. male, or F. female.

Column 7. The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 8. The entry should describe as definitely as possible the occupation of each person. If a laborer, specify whether agricultural or otherwise. If a mechanic, state whether carpenter, blacksmith, mason, shoemaker, tailor, weaver, etc., and if a laborer, whether farm laborer, factory laborer, coal miner, etc. Persons of no occupation, such as women and children, should be returned as "none." Persons of professional occupation should be returned as physician, surgeon, lawyer, clergyman, author, teacher, editor, actor, artist, musician, etc. Entries of "gentleman" or "lady" must not be made unless the person is in fact supported entirely by others and has no occupation.

Column 9. Every person, male and female, sixteen years old and upwards, must be questioned as to ability to read, and answer Yes or No.

Column 10. Every person, male and female, sixteen years old and upwards, must be questioned as to whether in possession of money, and answer Yes or No.

Column 11. *Nationality.* Do not enter merely "English," "German," "Austrian," "Russian," "Turkish," "African," or "Asiatic," but the particular country to which each person belongs, as "England," "Germany," "Austria-Hungary," "Russia," "Turkey in Europe," "Turkey in Asia," "Africa," "China," "Japan," "India," etc.

Column 12. *Race or people.* Each race should be entered separately. The entry should not be "Hebrew," "Latin," "Slavonic," "Teutonic," "Mongolian," or "Oriental," but the particular race or people to which each belongs, as "German," "English," "Irish," "Italian," "Spanish," "Portuguese," "French," "Dutch," "Flemish," "Scandinavian," "Norwegian," "Swedish," "Danish," "Icelandic," "Finnish," "Lithuanian," "Polish," "Russian," "Bohemian," "Moravian," "Slovak," "Croatian," "Servian," "Ruthenian," "Bulgarian," "Dalmatian," "Greek," "Albanian," "Roumanian," "Hungarian," "Armenian," "Syrian," "Arabian," "Persian," "Chinese," "Japanese," "Hindu," "Korean," "Indian," "Negro," "Moorish," "Magyar," "Basque," "Turanian," "Mongolian," "Manchurian," "Malay," "Tartar," "Thibetan," "Canadian," "Mexican," "Cuban," "West Indian," "Central American," "South American," "Pacific Islander," "Ethiopian," "Egyptian," "Indian (Hindu)," "Indian (American)," "Negro," "Mulatto," "Quadroon," "Octoroon

Column 6. Here state whether calling, if any, such as laborer, farmer, clerk, servant, [illegible] stool polisher, iron molder, wood turner, etc., and not [illegible] as "laborer" unless actually so. Persons of independent means should be returned as such.

Column 7. Here state whether the person is able to read or not. Any person who can read some language or dialect should be returned as able to read.

Column 8. Here state whether the person is able to write or not. Any person who can make figures should be returned as able to write.

Column 9. Here state the nationality of the people of the country to which each person belongs. Persons from England, Scotland, and Wales should be described as English, Scotch, and Welsh, respectively. Care should be taken to distinguish between Irish and Scotch. Question 9 should be construed to mean the country of which each person is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The column should [illegible] the race of people even in each.

Special attention should be paid to the distinction to be observed between the country of which the person is subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reviewing clerks in this regard. For instance, Italian appearing under the head of country does not mean Italy as to race or people, and, similarly, French appearing under the head of several people does not mean France as to country. An Irish, German, or Hebrew alien is to be entered in the proper race column under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native or citizen of the Republic of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po, comprising the provinces of Piedmont, Lombardy, Venetia, and Emelia, and those residing within territory recently added to Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies, should be classed as "Italian (south)."

Column 11. *Last foreign residence.* Actual or intended residence, and not citizenship, should be stated. The last country in which the person resided with the intention of permanently residing should be the one mentioned. The fact that a person has been a citizen of a country for many years, and has resided therein for a short time only, should not be considered sufficient to establish a residence therein. If a person has resided in different countries for an indefinite period, the country of last residence should be given. It is not sufficient to return as the country of last residence a country in which the person has been detained for a short time only, as in case of emigrants passing in transit through a country to which they do not intend to remain. The country of last permanent residence of aliens who have been admitted to the United States and return after a temporary absence should be recorded.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should state name and address of such relative. It must not be sufficient to return the name of a friend.

Column 13. *Final destination.* The aim is to ascertain the place which shall be understood literally, present residence. As intended residence, one year shall constitute permanent residence. Persons should be detained by the place only at which they have acquired actual residence. Persons should state country, if outside the United States.

Column 15. *Whether in possession of railroad ticket to final destination.* The entry should show definitely by whom possessed as ticket to N. Y. or to ; if by whom paid.

Column 16. *By whom was passage paid.* The entry should show definitely by whom possessed as paid, as well and rather, by that, whether relative, friend, steamship company, etc.

Column 17. *How much money in possession.* The entry should show definitely the exact amount of money shown. Money held by the head of the family should be returned as the amount of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The answer should show whether or not "Yes" or "No" in the United States before, and if "Yes" should give the place as "New York, Philadelphia."

Column 19. *Whether going to join relative or friend, and if so, what relative or friend, and where.* The answer should show whether going to join either a relative or friend, and if so what relative or friend, and complete address.

Columns 20 to 34. These questions are self-explanatory and the answers [illegible] are subject to investigation by inspectors or others in the examination of [illegible]. However, to question 32, should be noted that no person who is a member of the Society of Friends [illegible] to apply for admission, the applicant's last such application should be stated.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I Wilbur Owen Master, of the [illegible], from Bayshot, do

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Number of entire party.* — Steamship lines should make no entries in this column. [illegible] is for use of Government officials only.

Column 3. *Name.* — Surnames and given names of all persons should be entered. The latter may be abbreviated. Titles, such as Mr., Mrs., Miss, Dr., Rev., etc., should be omitted.

Column 4. *Sex.* — The entry should be either M (male) or F (female).

Column 5. *Married or single.* — The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 6. *Age.* — The entry should be the age at nearest birthday, as possible. Thus a person born on March 10, 1892, and arriving at a port of the United States on December 1, 1913, should be entered as 21 years old. Persons apparently under the age of one year should be entered as 0.

Column 7. *Occupation.* — The entry should describe the occupation, as specific as possible. Thus, a person who has been employed as a farmer, but who has been working at the trade of a carpenter for the last few years, should be entered as carpenter. Persons of no occupation, including children, should be entered as none. Laborers, without specification, should be entered as laborers. Do not use abbreviations.

A coal passer should be made a coal passer, and not a fireman, trimmer, or coal heaver, as the case may be.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their entries on the manifests and corrections should be made there, as far as possible, and not on the certificates. The personal examination of aliens prevails.

Column 8. *Nationality.* — The answer should be the name of the country to which the alien owes allegiance. Read what is said under "Race or people" concerning the distinction between this question and the latter. In general, the answer to this question should be the name of the country in which the alien was born, as Germany, England, Scotland, Ireland, Russia, Sweden, Italy, Mexico, Cuba, China, Japan, etc. Exceptions to this rule occur in the cases of persons born in countries in which race distinctions are recognized, as in Austria-Hungary, Turkey, Great Britain, and Canada. Thus, a native of Bohemia, Austria-Hungary, should be entered as Bohemian, not Austria-Hungary; a native of Scotland should be entered as Scotch, not British; a native of Canada-French should be entered as Canada-French, not Canada.

Column 9. *Last permanent residence.* — Actual residence, as distinguished from intended residence, should be entered. The last country in which the alien resided with the intention of remaining for one year should be entered as the country of last permanent residence, regardless of future intentions. If the alien has resided in the United States previous to the present immigration, the last place of residence in the United States should be entered. If he has resided in no country other than that of birth, the latter should be entered. Do not enter as places of residence such indefinite descriptions as country districts, farms, mines, or factories.

Column 10. *Final destination.* — The city, town, or village should be entered. Do not enter a State unless it is impossible to learn the destination more definitely. Do not enter such indefinite descriptions as interior, unknown, etc.

Column 11. *Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address.* — The entry should show the name and complete address of the relative or friend to whom the alien is going. It should show the name and city or town of that person, and not merely the State. Do not enter such indefinite descriptions as "cousin," "friend," "brother-in-law," "uncle," "aunt," "nephew," "niece," "grandfather," "grandmother," "grandson," "granddaughter," "mother-in-law," "father-in-law," "son-in-law," "daughter-in-law," "stepfather," "stepmother," "stepson," "stepdaughter," "half brother," "half sister," "fiancé," "fiancée," "guardian," "ward," "employer," "employee," "servant," "master," "mistress," "landlord," "landlady," "tenant," "boarder," "roomer," "partner," "agent," "manager," "clerk," "steamship agent," "correspondent," "banker," "merchant," "manufacturer," "contractor," "contractee," "holder," "owner," "creditor," "debtor," "acquaintance," "boss

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

The information called for by column 11 should be given for all persons, whether they are citizens of the United States or aliens, and whether they are included in the numbering or exempt from it by the fourth proviso to section 2 of the law.

Column 12. *Nationality.* Question 9 should be construed to require the answer to be stated in terms of country, not of race or people, as Scotch, English, German, etc.

Special attention should be paid to the distinction between race and country in the case of persons born in one country of parents belonging to a race which predominates in another country, as in the case of Irish, Welsh, Scotch, French, German, or Hebrew people born in the United States, Canada, England, or other countries. Such persons should be described as natives of the country in which they were born, and not as natives of Ireland, Wales, Scotland, France, Germany, or Palestine, respectively, unless they have lived in such countries for many years and have become imbued with the characteristics of the people thereof. An Irish, German, or Hebrew child born on the ocean, the parents of which were last landed in Scotland, Germany, or other country, should be described as a native of Scotland, Germany, or other country. In this connection the following should be especially observed:

CENTRAL AMERICAN.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Ettore Ovazza, of the s. s. Italia, from Naples, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.* — Steamship line should make arrangements so that this column will be ready for use of Government officials only.

Column 3. *Age.* — The answer to this column should be expressed in years. If under 1 year, state age in months, as "6 months," under 1 month, as "2 weeks."

Column 4. *Sex.* — The entry should be either M male or F female.

Column 5. *Married or single.* — The answer should be M married, S single, W widowed, or D divorced.

Column 7. *Calling or occupation.* — The entry should describe as specifically as possible the occupation, trade, or profession of each alien, as, for example, Clerk, mechanic, laborer, engineer, farmer, merchant, tailor, carpenter, blacksmith, cooper, locksmith, shoemaker, tinner, printer, cabinetmaker, painter, butcher, baker, miller, weaver, lawyer, physician, minister, teacher, scholar, student, housekeeper, servant girl, etc. Simply the word "laborer" should not be used unless the person has no special occupation.

A distinction shall be made between farm laborers and farmers, regardless of the character of land owned and tilled.

A farmer owns or rents and operates a farm, either for himself or for others.

A farm laborer works on a farm for the man who pays his wages.

Steamship companies should make the distinction between the manual and nonmanual classes, the first class to consist, by way of example, of laborers, farmers, servants, etc., and the second class of professors, musicians, clergymen, authors, lecturers, actors, artists, members of learned professions, merchants, bankers, and persons of means, who are not engaged in any kind of labor.

Column 8. *Nationality.* — This column is to be filled in with the name of the country to which each alien claims allegiance.

Read what he says in the examination. Naturalized aliens frequently claim the country from which they came as the country to which they owe allegiance, which is not correct. In answering this question, the intention of the alien is to be ascertained. If he does not declare his intention to become a citizen of the United States, he can not be a citizen or subject of the country to which he owes allegiance. An exception is in the case of a Chinese, who may be a citizen of China, although he has a right to become a citizen of the United States.

Column 9. *Nationality of race or people.* — Question 9 should be answered independently of question 8. Even though an alien may be a citizen or subject of the country specified in question 8, he belongs to a race or people which may be readily distinguished from the characteristics of the various races or peoples as given in said list.

Special attention should be paid to the distinction to be drawn between race and the country of which a person is a subject, country of last permanent residence, and country of birth, and inasmuch as the answers required by inspectors and deputy clerks at the ports of Canada, France, Germany, Mexico, and Russia frequently do not indicate correctly the race or people of the immigrant, the following instructions are issued for the guidance of all concerned:

"Canadian" does not indicate race or people, and, similarly, "French" appearing as the head of country does not mean "French" by race or people, and, similarly, "French" appearing as the head of race or people does not mean "France" by country. An Irish, German, or Hebrew subject of Canada might properly come under the heading of England, Switzerland, or any other country. In the connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South American countries.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native or citizen of any other country in the West Indies, North or South America, Europe, or Africa. Any alien with a admixture of African blood should be classified under this heading.

HAITIAN (NEGRO).

The people who are native to the Republic of Haiti.

HAITIAN (MULATTO).

The people who are native to that portion of Haiti south of the Latitude of the northern boundary of Port au Prince, the Artibonite River, Lake Trouin, and Petite Riviere.

Column 10. *Last permanent residence.* — Answer as to country of which alien has resided last one year or more.

Column 11. *Final destination.* — Answer as to the city or town to which alien is destined in the United States.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — Give name and address of husband, wife, father, mother, or other relative or friend.

Column 13. *Ever in U. S.?* — Answer "Yes" or "No" as to whether alien has been in the United States before.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer to this question should be carefully noted, as the immigrant will be required to state the name and address of the relative or friend whom he intends to join.

Column 15. *Have you $50 in your possession?* — Answer "Yes" or "No" as the case may be.

Column 16. *If not, how much money have you?* — Answer as to the amount of money in possession of alien.

Column 17. *Whether ticket is through to destination.* — Answer "Yes" or "No" as the case may be.

Column 18. *By whom was passage paid?* — The entry should show whether alien was assisted and by whom, whether by father, mother, other relative, friend, steamship company, State, or municipality.

Column 19. *Whether in possession of railroad ticket to his ultimate destination.* — Answer as to whether alien has railroad ticket to destination.

Column 20. *Amount paid for railroad ticket.* — The answer should show the amount paid by the alien for railroad ticket to destination. If the ticket was purchased by another person, the amount paid by such person should be stated. If the ticket was purchased in a group, the alien's proportion of the total amount paid should be stated.

Column 21. *Whether in possession of a ticket to any interior point, and if so, to what point.* — Answer as to whether alien has ticket to any interior point, and if so, to what point.

Column 22. *Whether ever before in the United States, and if so, when and where.* — Answer as to whether alien has ever been in the United States before, and if so, when and where, as, for example, 1894, Philadelphia.

Column 23. *Whether ever in prison or almshouse or supported by charity, and if so, which.* — Answer as to whether alien has ever been in prison or almshouse or supported by charity, and if so, which institution.

Column 24. *Whether a polygamist.* — The question as to polygamy is to be answered "Yes" or "No" as the case may be.

Column 25. *Whether an anarchist.* — The question as to anarchy is to be answered "Yes" or "No" as the case may be.

Column 26. *Whether coming under contract or agreement to perform labor.* — Answer as to whether alien is coming under contract or agreement to perform labor.

Column 27. *Whether a person who has been deported previously.* — Answer as to whether alien has been deported previously.

Column 28. *Whether in possession of a ticket purchased for him in foreign country by the United States Government.* — Answer as to whether alien has ticket purchased for him in foreign country by the United States Government.

Column 29. *Whether coming to join a husband, wife, father, mother, child, brother, or sister, and if so, what relative and his name and complete address.* — Answer as to whether alien is coming to join a husband, wife, father, mother, child, brother, or sister, and if so, what relative and his name and complete address.

Column 30. *Whether ever arrested or imprisoned for any offense other than political, stating the offense.* — Answer as to whether alien has ever been arrested or imprisoned for any offense other than political, stating the offense.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

Column 2. Name in full of every person, including children, entered on the list. The surname or family name should be written first, followed by the Christian name or names, with the middle name or initial, if any. The names of all persons must be given, and no initials or abbreviations will be permitted except such as are customarily used instead of the full name, thus "Wm." may be used for "William," "Jno." for "John," etc. The name of the husband and wife and children accompanying them should be entered, even though the husband may have preceded them or may intend to follow later. Titles of nobility should be omitted, but all other titles, such as "Mr.," "Mrs.," "Miss," "Dr.," "Rev.," etc., should be used.

Column 3. Whether Male or Female.

Column 4. Age. The age should be given in all cases. Infants under 1 year old should have the number of months stated, thus "6 mos." or "9 mos." Persons between 1 and 2 years old should be stated in years and months, thus "1 yr. 6 mos." or "1 yr. 9 mos." Persons 2 years old and upward should have their ages stated in years only, thus "2 yrs." or "3 yrs." Persons apparently of the same age should be stated in the same way, even though one may be a few months older than the other.

Column 5. Whether Married or Single. Write the word "Married" or "Single" as the case may be.

Column 6. Occupation. The occupation should be stated as specifically as possible. Do not enter "laborer" or "servant" unless the person has no occupation at all. Examples: Cotton spinner, steel roller, coal miner, etc. Persons having no occupation, such as women and children, should be stated as "none." Persons under 16 years of age, even though they may be engaged in some occupation, should be entered as "none." Do not enter "farmer" unless he owns a farm. Use "farm laborer" for persons working on farms, even though they may own a few acres of land.

Column 7. Can read or cannot read. Write the word "can" or "cannot" as the case may be. Persons who can read any language should be entered as able to read.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Master, of the [illegible] S. [illegible], from [illegible], do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 19 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] steamship lines should make no entries in [illegible] columns. They are to be filled out by intending immigrants themselves only.

Column 1. *Number on list.* The number of each passenger should be entered in this column, commencing with the number 1 for the first passenger listed on each sheet and continuing the numbering consecutively.

Column 2. *Name in full.* The entry should be other M. made out [illegible] female.

Column 3. *Whether married or single.* The answer should be M. married, S. single, Widowed, or Divorced.

Column 4. *Age at last birthday.* The entry should describe the age as nearly as possible the moment the person named left his or her home to begin the journey to the United States. Infants should be accurately described, for example, 11 months, 6 months, etc., and not merely as 1 year old.

Column 5. *Occupation.* The entry should describe what each person named in the manifest has been accustomed to do for a livelihood, whether a laborer, farmer, merchant, professional man, or other class, and if a laborer whether skilled or unskilled. Such occupations as "gentleman," "lady," "servant," "child," "none," or "housekeeper," should not be used. Persons who have been engaged in any trade or calling should be described as carpenters, bricklayers, tailors, shoemakers, etc., and not merely as mechanics. Persons who have been employed in mines should be described as miners, and not as laborers. Persons who have been employed in manufacturing establishments should be described as such, and not merely as laborers.

Column 6. *Nationality.* Applicants will be examined to ascertain what country they claim as their nation, and the answers entered in this column should show the country in which each alien named claims allegiance. Residence in a country does not necessarily indicate nationality. Thus, a native of Germany may be a resident of France, but he is a German still. Nationality usually follows birth in a country, but not always. Thus, a native of Germany may become naturalized in the United States, and thereby lose his German nationality and become a citizen of the United States. Care should be taken to distinguish between Scotch, Welsh, English, and Irish, and not to enter them merely as natives of Great Britain.

Column 7. *Race or people.* The answers should be even more specific than for the preceding column. Thus, persons should not be described merely as Hebrew, Latin, Slavonic, African, or Negro, but as Russian, Polish, Spanish, Italian, Irish, Scotch, English, French, German, Bohemian, Magyar, Dalmatian, Croatian, Servian, Bulgarian, Roumanian, Portuguese, Dutch, Flemish, Swedish, Norwegian, Danish, Lithuanian, Finnish, Turkish, Armenian, Greek, Syrian, Japanese, Chinese, Hindu, East Indian, Mexican, West Indian, Cuban, Porto Rican, Central American, South American, Negro, Indian, Pacific Islander, etc. Take special care that the race or people to which each alien belongs is correctly described. Thus, Germans should not be described as Hebrews because they are of the Jewish religion, nor Irish as English because they speak the English language, nor Scotch as English because they are British subjects, nor Chinese as Japanese, nor Cubans as Spanish, nor Spanish as Mexicans, nor Dutch as Germans, nor Swedish as Russians, nor Turkish as Armenians, nor Polish as Russians, nor Roumanians as Hungarians, nor Swiss as Germans, nor Belgians as French, nor Canadians as English, nor Canadian French as French, nor Portuguese as Spanish, nor Spanish as Portuguese, nor Finnish as Russian, nor Lithuanian as Russian, nor Bohemian as Austrian, nor Moravian as Austrian, nor Slovak as Austrian, nor Croatian as Austrian, nor Dalmatian as Austrian, nor Servian as Austrian, nor Bulgarian as Turkish, nor Roumanian as Turkish, nor Syrian as Turkish, nor Arabian as Turkish, nor Hindu as East Indian, nor Pacific Islander as East Indian, nor Japanese as Chinese, nor Mexican as Spanish, nor West Indian as Spanish, nor Cuban as Spanish, nor Porto Rican as Spanish, nor Central American as Spanish, nor South American as Spanish, nor Indian as Spanish, nor Negro as Spanish, nor Spanish as Negro, nor Indian as Negro, nor Pacific Islander as Negro.

[illegible] steamship lines should make no entries in this column. They are to be filled out by intending immigrants themselves only.

Column 8. *Ability to read.* The entry should be either Yes or No. The question is whether the person can read any language or dialect, and not merely whether he can read English.

Column 9. *Married person or family.* The answer should be Yes or No. If a married man is emigrating without his family, the answer should be No. If a married man is emigrating with his family, the answer should be Yes. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Vittorio Nevan, of the S/S U.S. Siria, from Naples, do solemnly, sincerely, and truly (State whether Master, First or Second Officer) swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 11 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Vittorio [illegible]
Officer.

Sworn to before me this 1 [illegible] day of [illegible], 19[illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *How long intending to remain.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of the alien at the time of his arrival, as, for example, Clerk, engineer, stationary engineer, bookkeeper, dressmaker, housekeeper, bass polisher, steel polisher, iron molder, wood turner, etc. (and not merely laborer, servant, or housekeeper, which are indefinite designations).

A clerk who is employed in a store is not to be returned as a merchant, nor is a farmer's son who assists his father on the farm to be returned as a farmer, unless he is in fact a partner in the business. A farmer is one who operates a farm, either for himself or for others. A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made by the inspector and boarding officer during the personal examination of alien arrivals.

Column 8. *Nationality.*—This column is subdivided and contains the following questions:

Read and home [illegible], if exemption is claimed, upon what ground]? In answering this question the inspector should first ascertain if the alien is able to read, should he state that he can read, and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and boarding officers in this regard. For instance, France appearing under the heading country does not mean "French" by race or people, and similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from that or the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

[illegible] people who are natives of that portion of Italy north of the line of the Provinces of Pesaro, Ancona, Macerata, and Fermo, and those of the Provinces of Perugia, Rieti, Rome, Littoria, Velletri, Frosinone, and Caserta, Italy, and who are not Jews, should be classified as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the line of the Provinces of Pesaro, Ancona, Macerata, and Fermo, and those of the Provinces of Perugia, Rieti, Rome, Littoria, Velletri, Frosinone, and Caserta, Italy, and who are not Jews, should be classified as "Italian, South." They are generally of the Latin race, and speak the Latin dialects of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those classified as "Italian, South."

Column 11. *Last permanent residence.*—A mere intention to reside in a country does not constitute residence. The last country to which the alien has belonged for a period of one year or more is to be entered as the country of last permanent residence, regardless of the length of time he may have been absent from it. The entry should be the name of the country and city, town, or village. Thus, a native of Italy who has been in the United States for 10 years, but who has not become naturalized, and who has been absent from the United States for only a temporary period, should be returned as having his last permanent residence in Italy. Temporary residence abroad for such purposes as study, travel, pleasure, business, or health does not constitute residence. A temporary residence abroad should be recorded as such.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should show the name and address of such relative. It is not sufficient to enter merely the name of a country. The relative or friend should be one with whom the alien has lived or to whom he is going, and the address should be sufficiently definite to enable the Department to communicate with him by mail.

Column 13. *Whether going to join relative or friend, and name of such relative or friend.*—The purpose of this question is to ascertain whether the alien is coming to the United States to join a relative or friend, and if so, what relative or friend. The name and address of the relative or friend should be given.

Column 14. *Ever in U. S.?*—The answer should show whether the alien has ever been in the United States before, and if so, when and where.

Column 15. *Have you a ticket?*—The answer should show whether the alien has a ticket to his destination.

Column 16. *Whether in possession of $50 and if not, how much less?*—The entry should show whether the alien has in his possession at least $50 in money, or if he has less than $50, how much less.

Column 17. *Whether ever before in U. S., and if so, when and where?*—The answer should show whether the alien has ever been in the United States before, and if so, when and where. If he has been in the United States before, the entry should show the last time he came to the United States, the port through which he entered, and the place, as near as can be ascertained, where he lived during his last previous residence in the United States.

Column 18. *Whether coming to join husband, father, etc., in U. S., and name and address of such relative.*—The entry should show whether the alien is coming to the United States to join a husband, father, or other relative, and if so, the name and address of such relative.

Column 20 (a) (b). *Whether deported, and if so, why.*—The questions are self-explanatory. If the answer to either question is "Yes," the alien has been deported at some time and the Secretary of Labor has authorized him to reapply for admission to the country. If such reapplication should be given
